History and Founding of Omega Psi Phi

Origins and Establishment

Omega Psi Phi was founded on November 17, 1911, at Howard University in Washington, D.C. It holds the distinction of being the first fraternity founded at a historically Black university. The founding members, known as the "Four Founders," were Edgar Amos Love, Oscar James Cooper, Frank Coleman, and the faculty adviser, Dr. Ernest Everett Just. Their vision was to create an organization that emphasized scholarship, perseverance, and uplift within the African American community. The fraternity's establishment came during a time of significant social challenges, and its creation provided a platform for leadership and academic excellence among Black men.

Early Growth and Expansion

Following its founding, Omega Psi Phi quickly expanded beyond Howard University, establishing chapters across other colleges and universities. The fraternity sought to maintain high standards for membership and fostered a strong sense of brotherhood and commitment among its members. The rapid growth reflected the fraternity's resonance with young African American men seeking camaraderie and a means to contribute positively to society. During the early 20th century, Omega Psi Phi became a prominent organization within the African American collegiate landscape.

Core Principles and Symbols

Founding Principles

The fraternity is guided by four cardinal principles: Manhood, Scholarship, Perseverance, and Uplift. These principles form the foundation of Omega Psi Phi's mission to develop leaders who excel academically and contribute to the betterment of their communities. Manhood emphasizes integrity and responsibility, Scholarship prioritizes academic achievement, Perseverance encourages resilience in the face of adversity, and Uplift focuses on service and improving society.

Symbols and Motto

Omega Psi Phi is rich in symbolism, which reinforces its identity and values. The fraternity's official colors are royal purple and old gold, symbolizing royalty and excellence. Its emblem features the Greek letters $\Omega\Psi\Phi$, representing Omega Psi Phi. The fraternity's motto, "Friendship is Essential to the Soul," highlights the importance of brotherhood and mutual support among its members. Additional symbols include the lamp of knowledge and the dove, both signifying wisdom and peace.

Notable Members and Contributions

Influential Figures

Omega Psi Phi has been home to numerous distinguished individuals who have made significant contributions in various fields such as civil rights, arts, sciences, sports, and politics. Notable members include civil rights leader Dr. Martin Luther King Jr., legendary athlete Michael Jordan, and prominent entertainer Langston Hughes. These individuals exemplify the fraternity's dedication to excellence and leadership.

Impact on Society

Members of Omega Psi Phi have played vital roles in advancing social justice and promoting African American culture. Through activism, public service, and professional achievements, the fraternity's members have influenced positive change nationally and internationally. The legacy of these members continues to inspire new generations to uphold the fraternity's ideals.

Philanthropy and Community Service

Commitment to Service

Philanthropy is integral to Omega Psi Phi's mission. The fraternity engages in numerous community service initiatives aimed at improving education, health, and welfare within underserved populations. These efforts reflect their commitment to the principle of Uplift and the desire to make lasting societal impacts.

Signature Programs

Some of the fraternity's well-known philanthropic programs include:

- The Achievement Week, celebrating the accomplishments of African Americans and promoting educational excellence.
- Talent Hunt Programs, which support young artists and performers.
- Health initiatives focused on awareness and prevention of illnesses such as prostate cancer and diabetes.
- Mentorship and scholarship programs designed to assist youth in academic and personal development.

Organizational Structure and Membership

Chapter System

Omega Psi Phi operates through a structured chapter system encompassing undergraduate and graduate chapters across the United States and internationally. Each chapter is responsible for upholding the fraternity's standards and implementing local service projects. The fraternity maintains rigorous membership guidelines to ensure commitment to its principles.

Membership Process

Prospective members undergo a thorough intake process that includes education on fraternity history, values, and expectations for conduct. Membership is open to men who demonstrate academic achievement, leadership potential, and a dedication to community service. The fraternity emphasizes lifelong brotherhood and personal development beyond college years.

Traditions and Cultural Impact

Fraternal Traditions

Omega Psi Phi is known for its rich traditions, which foster unity and pride among members. These include stepping and strolling, unique to many Black fraternities and sororities, as well as the use of specific hand signs, calls, and paraphernalia that symbolize fraternity bonds. Annual conventions and regional conferences provide opportunities for networking and reinforcing fraternity values.

Cultural Significance

The fraternity has significantly influenced African American culture and identity. Its members have contributed to the promotion of education, arts, and civil rights, embedding Omega Psi Phi into the broader narrative of Black excellence and empowerment. The fraternity continues to be a source of inspiration and leadership within the African American community and beyond.

omega psi phi facts: The History of Omega Psi Phi Fraternity Inc. (an Update for the Period 1960-2008) Vernon Steve Weakley, 2009-05-01 This literary work is an update of the History of Omega Psi Phi Fraternity Inc. for the period 1960 to 2008. This book humbly takes up where Omega men Herman Dreer, Robert L. Gill and their outstanding committees stopped. This new update was officially sanctioned and commissioned by Omega Psi Phi Fraternity Inc. via the 38th Grand Basileus, the honorable Warren G. Lee, and the elected Supreme Council for the 74th Grand Conclave. This Omega History Book project will provide a clear and accurate history of Omega Psi Phi Fraternity and its impact on America and African Americans in particular for the period 1960 to 2008. This new History update will serve to clearly demonstrate how Omega Psi Phi fraternity Inc. has, not only made a significant positive difference in the lives of Black people, but the entire world. It is this committee's fervent hope that this update will not only enlighten, be a beacon and shed light on our illustrious history but will also be an inspiration to young people, the general public at large and all Omega Men, past, present and future. This new update involved the comprehensive gathering of historical data on Omega Psi Phi Fraternity Inc. from all across America and internationally for the period 1960 to the 2008. It endeavored to encompass all significant contributions, all noteworthy efforts and the resulting factual recordation of Omega Psi Phi fraternity and all Omega men who have had pertinent impact on America and Omega Dear during this period. This project was massive and took over two years to complete. The resulting final product will be a self perpetuating income generating source for Omega Psi Phi fraternity for many years to come. Please be clearly advised readers that this is an update of the previous history books written by the honorable Herman Dreer, Robert L. Gill and their committees. This book, with the exception of containing some basic historical information to enlighten a person who has no knowledge of Omega Psi Phi Fraternity, will not routinely cover past historical information shown in the great works of Dreer and Gill occurring prior to this update period. The history rich period for this update has provided many interesting challenges for Omega and its members. The Founders of Omega Psi Phi Fraternity did not shrink from the task, nor did they pity themselves for being given the tremendous burden to uplift the African American race. W.E.B. DuBois' talented tenth assertion must be our rallying cry in that it crystallizes the fact that Omega men must be in the forefront in lifting the Black community to higher heights. Omega men are indeed the cream of the crop endowed with the divine gift of greatness. And, our great history and our individual and unified deeds bare witness to this fact and with that our readiness to step to the fore. Omega Psi Phi Fraternity Inc. is filled with many great Omega men who have had significant positive impact on America during this update period. There are undeniable facts, inspiring legends, and exceptional Omega men who have accomplished great things in their districts and at the international level, as well as in their personal lives and in their gallant exploits across the nation. It is time that the world knows of our extraordinary contributions to the greatest country on earth and our proud race. We pray that this HISTORY OF OMEGA PSI PHI FRATERNITY INC. for the period 1960 to 2008 accomplishes this goal and be a guiding light to live by and be a positive uplifting force for all that reads it.

omega psi phi facts: Before You Pledge: Essential Information You Should Know About the Divine Nine Dr. Michael J. R. Winfield, Before You Pledge: Essential Information You Should Know About the Divine Nine is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women. The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all-white college campuses. Intense racial prejudice forced many

black students to leave predominantly white universities. And at the same time, on Historically Black College campuses, the desire for fellowship through shared social experiences led to the rise of Black Greek life, starting with Cornell University in New York. Alpha Phi Alpha, the first black fraternity formed at a predominantly white university in 1906, would point the way for similar organizations to develop. Between 1906 and 1922, eight Black Greek Letter Organizations were formed, with a ninth in 1963. Known collectively as the "Divine Nine," these five fraternities and four sororities would go on to shape the course of Black America. Together, these young black men and women would face down racial prejudice, take the lead in the fight for social justice, in the end, reshape the American cultural landscape. Finally, no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine.

omega psi phi facts: *The Crisis* , 1940-11 *The Crisis*, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, *The Crisis* has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

omega psi phi facts: With Faith in God and Heart and Mind Maurice J. Hobson, Eddie R. Cole, Jim C. Harper, Derrick P. Alridge, 2025-01-10 When Edgar A. Love, Oscar J. Cooper, Frank Coleman, and Ernest Everett Just founded the historically Black fraternity Omega Psi Phi on November 17, 1911, at Howard University, they could not have known how great of an impact their organization would have on American life. Over the 110 years that followed, its members led colleges and universities; served in prominent military roles; made innumerable contributions to education, civic society, science, and medicine; and at least one campaigned for the US presidency. This book offers a comprehensive, authoritative history of the fraternity, emphasizing its vital role through multiple eras of the Black freedom struggle. The authors address both the individual work of its membership, which has included such figures as Carter G. Woodson, Bayard Rustin, Roy Wilkins, James L. Farmer Jr., Benjamin Elijah Mays, James Clyburn, Jesse Jackson, and Benjamin Crump, and the collective efforts of the fraternity's leadership to encourage its general membership to contribute to the struggle in concrete ways over the years. The result is a book that uniquely connects the 1910s with the present, showing the ongoing power of a Black fraternal organization to channel its members toward social reform.

omega psi phi facts: *The Crisis* , 1985-12 *The Crisis*, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, *The Crisis* has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

omega psi phi facts: To Right These Wrongs Robert R. Korstad, James L. Leloudis, 2011-01-20

When Governor Terry Sanford established the North Carolina Fund in 1963, he saw it as a way to provide a better life for the tens of thousands whose family income is so low that daily subsistence is always in doubt. Illustrated with evocative photographs by Billy Barnes, *To Right These Wrongs* offers a lively account of this pioneering effort in America's War on Poverty. Robert Korstad and James Leloudis describe how the Fund's initial successes grew out of its reliance on private philanthropy and federal dollars and its commitment to the democratic mobilization of the poor. Both were calculated tactics designed to outflank conservative state lawmakers and entrenched local interests that nourished Jim Crow, perpetuated one-party politics, and protected an economy built on cheap labor. By late 1968, when the Fund closed its doors, a resurgent politics of race had gained the advantage, led by a Republican Party that had reorganized itself around opposition to civil rights and aid to the poor. The North Carolina Fund came up short in its battle against poverty, but its story continues to be a source of inspiration and instruction for new generations of Americans.

omega psi phi facts: Encyclopedia of African American Education Kofi Lomotey, 2010 The Encyclopedia of African American Education covers educational institutions at every level, from preschool through graduate and professional training, with special attention to historically black and predominantly black colleges and universities. Other entries cover individuals, organizations, associations, and publications that have had a significant impact on African American education. The Encyclopedia also presents information on public policy affecting the education of African Americans, including both court decisions and legislation. It includes a discussion of curriculum, concepts, theories, and alternative models of education, and addresses the topics of gender and sexual orientation, religion, and the media. The Encyclopedia also includes a Reader's Guide, provided to help readers find entries on related topics. It classifies entries in sixteen categories: Alternative Educational Models Associations and Organizations Biographies Collegiate Education Curriculum Economics Gender Graduate and Professional Education Historically Black Colleges and Universities Legal Cases Pre-Collegiate Education Psychology and Human Development Public Policy Publications Religious Institutions Segregation/Desegregation. Some entries appear in more than one category. This two-volume reference work will be an invaluable resource not only for educators and students but for all readers who seek an understanding of African American education both historically and in the 21st century.

omega psi phi facts: Soulstepping Elizabeth Calvert Fine, 2003 Stepping is a complex performance that melds folk traditions with popular culture and involves synchronized percussive movement, singing, speaking, chanting, and drama. Elizabeth C. Fine's stunningly elaborate and vibrant portrayal of the cultural politics of stepping draws on interviews with individuals on college campuses and steppers and stepping coaches from high schools, community groups, churches, and dance organizations. Soulstepping is the first book to document the history of stepping, its roots in African and African American culture, and its transformation by churches, schools, and social groups into a powerful tool for instilling group identity and community involvement.
