olympia of infidelity novel: *The Queer Uncanny* Paulina Palmer, 2012-01-15 *The Queer Uncanny: New Perspectives on the Gothic* investigates the diverse roles that the uncanny, as defined by Sigmund Freud, Helene Cixous and other theorists, plays in representing lesbian and male gay

sexualities and transgender in a selection of contemporary British, American and Caribbean fiction published 1980-2007. Novels by Christopher Bram, Alan Hollinghurst, Randall Kenan, Shani Mootoo, James Purdy, Sarah Schulman, Ali Smith, Sarah Waters, Jeanette Winterson and other writers are discussed in the context of queer theory and gothic critical writing. The notion of the uncanny as 'tangential and to one side' and 'appearing on the fringe of something else', as defined by Cixous and Rosemary Jackson, appropriately evokes the situation of the queer individual living in a minority sub-culture and existing in oblique relation to hetero- normative society. Motifs with uncanny connotations discussed include secrets that society would prefer to remain hidden but come to light, spectral visitation, the emergence of repressed fears and desires, the double, and the homely/unhomely house. Writers employ them to explore topics integral to queer existence. These include secrets relating to the closet and AIDS; homosexual panic; lesbian social invisibility; transgender subjectivity; the intersection between sexuality and race; the vilification of the queer subject as 'monstrous Other'; the domestic life of the gay couple destabilised by homophobic influences from the public world; and the heterosexual family disrupted by homosexual secrets from within. The queer recasting of gothic motifs, such as the haunted house, the uncanny city, the grotesque body, and the breakdown of the family due to paternal incest, receives attention.

olympia of infidelity novel: A Much Married Man Nicholas Coleridge, 2024-07-02 From one of the sharpest observers of the modern scene, comes this witty, intelligent, and irresistible novel in the tradition of Gosford Park and Snobs. A man of wealth and privilege, Anthony Anscombe has everything he could ever want: an exquisite family estate, enviable social standing, and a desirable inheritance. But with all of his money and privilege, Anthony still has an aching desire for one thing: the perfect match. Running headlong into marriage is Anthony's forte...and his greatest weakness. As Anthony surveys Winchford Priory, his beautiful Elizabethan house in the English countryside, Anthony has the distinct feeling that he's under siege. And he's absolutely right. He may be surrounded by his sprawling estate, but lurking in the village are more than one or two reminders of his complicated past, including three ex-wives, a mistress, and a legion of children and stepchildren, all dependent on him and all determined to do whatever it takes to get what they want. Meet the wives Amanda: the ravishing first wife. Unpredictable and mesmerizing, she dared Anthony to fall in love with her, and he took her up on the challenge. Anthony was head over heels from the first night they danced on the rooftop of his family home. Of course, the free-spirited Amanda was never cut out for country life, but young love is blind. Sandra: the steadfast second wife. Sturdy, dependable and domesticated, Sandra pulled Anthony back from the compelling chaos that surrounded his first wife. Sandra had plans to turn Anthony's estate into a proper family home, until a stunning secret forced her to make a life-altering decision. Dita: the snobbish third wife. A true force of nature, Dita was smart, tough, rapaciously social and high-maintenance. She enthusiastically stormed through Anthony's life, organizing and rearranging, and rubbing plenty of people the wrong way, particularly the previous Mrs. Anscombes and their children. With the entire cast of his life roosting in the village, it's no wonder Anthony doesn't have a minute's peace! Adding to the crazy mix is the mistress, Nora, a new age hippy and acupuncturist, whom Anthony seduced with disastrous consequences. A Much Married Man is a wickedly funny social satire with memorable characters that will stay with readers long after the final page. Like a modern day Edith Wharton or Anthony Trollope, Nicholas Coleridge delivers a sensational glimpse inside the salacious world of the upper classes.

olympia of infidelity novel: Eden Olympia Vernon, 2007-12-01 A "profoundly raw and gripping" novel of a young girl in Mississippi struggling with poverty and a troubled family (The Baltimore Sun). In Mississippi, fourteen-year-old Maddy Dangerfield has just impulsively drawn a naked woman on the pages of Genesis in bright red lipstick during Sunday service. The community is scandalized, and her devout, long-suffering mother's response is to force her to spend weekends nursing her Aunt Pip—an outcast who lives on the edge of town. Now Maddy moves between her own home—which she shares with her hard-working, Bible-reading mother and her drinking, gambling, womanizing father—and Commitment Road, where she serves as caregiver for her aunt,

who is dying of breast cancer. Grievances from the past have left Pip estranged from the family, but as Maddy spends time with her and her eccentric neighbor, Fat, she begins to discover the exhilaration of speaking your own mind and living life on your own terms—as well as the cost extracted by both. And as she confronts the injustice and cruelty of the world around her, she will come to understand both the burden and the blessing of her newfound knowledge. “The rural countryside of Pyke County, Mississippi, resembles a scorched paradise—an Eden after the fall, after the snake has brought darkness, disease and decay into the world.” —The Atlanta Journal-Constitution “Maddy Dangerfield, who is reminiscent of Celie in Alice Walker’s *The Color Purple* or Ellen Foster in Kaye Gibbons’s eponymous novel, must grapple with a cruel, impoverished existence . . . As emotionally powerful as it is poetic, Vernon’s raw and fierce first novel possesses a beautiful, albeit brutal, lyricism and introduces a strong new Southern voice.” —Library Journal
