Page 2 of a letter from Jane Austen to her sister Cassandra (11 June 1799) in which she first mentions *Pride and Prejudice*, using its working title *First Impressions*. (NLA) Set in England in the late 18th century, *Pride and Prejudice* tells the story of Mr. and Mrs. Bennet's five unmarried daughters after two gentlemen have moved into their neighbourhood: the rich and eligible Mr. Bingley, and his status-conscious friend, the even more rich and eligible Mr. Darcy. While Bingley takes an immediate liking to the eldest Bennet daughter, Jane, Darcy is disdainful of local society and repeatedly clashes with the Bennets' lively second daughter, Elizabeth. *Pride and Prejudice* retains a fascination for modern readers, continuing near the top of lists of most loved books. It has become one of the most popular novels in English literature, selling over 20 million copies, and receives considerable attention from literary scholars. Likewise, it has paved the way for archetypes that abound in many contemporary literature of our time. Modern interest in the book has resulted in a number of dramatic adaptations and an abundance of novels and stories imitating Austen's memorable characters or themes. The novel centres on Elizabeth Bennet, the second of the five daughters of a landed country gentleman. Elizabeth's father, Mr. Bennet, is a bookish man and somewhat neglectful of his responsibilities. In contrast Elizabeth's mother, Mrs. Bennet, a woman who lacks social graces, is primarily concerned with finding suitable husbands for her five daughters, who will inherit little or nothing from their father due to primogeniture laws. Jane Bennet, the eldest daughter, is distinguished by her kindness and beauty; Elizabeth Bennet shares her father's keen wit and occasionally sarcastic outlook; Mary is studious,

devout and musical albeit lacking in taste; Catherine, sometimes called Kitty, the fourth sister, follows where her younger sister leads while Lydia is flirtatious and lacks maturity. The narrative opens with news in the Bennet family that Mr. Bingley, a wealthy, charismatic and sociable young bachelor, is moving into Netherfield Park in the neighbourhood. Mr. Bingley is soon well received while his friend Mr. Darcy makes a less favourable impression by appearing proud and condescending at a ball that they attend (he detests dancing and is not one for light conversation). Mr. Bingley singles out Jane for particular attention, and it soon becomes apparent that they have formed an attachment to each other. While Jane does not alter her conduct for him, she confesses her great happiness only to Lizzie. By contrast, Darcy slights Elizabeth, who overhears and jokes about it despite feeling a budding resentment. Upon paying a visit to Mr. Bingley's sister, Caroline, Jane is caught in a heavy downpour, catching cold, and is forced to stay at Netherfield for several days. Elizabeth arrives to nurse her sister and is thrown into frequent company with Mr. Darcy, who begins to act less coldly towards her. Mr. Collins, a clergyman and heir to Longbourn, the Bennet estate, pays a visit to the Bennets. Mr. Bennet and Elizabeth are much amused by his obsequious veneration of his employer, the noble Lady Catherine de Bourgh, as well as by his self-important and pedantic nature. It soon becomes apparent that Mr. Collins proposes marriage to Elizabeth, who refuses him, much to her mother's distress. Mr. Collins recovers and promptly becomes engaged to Elizabeth's close friend Charlotte Lucas, a homely woman with few prospects.

pride and prejudice characters: Pride and Prejudice Jane Austen, 2017-04-23 *Pride and Prejudice* is a novel by Jane Austen, first published in 1813. The story charts the emotional development of the protagonist, Elizabeth Bennet, who learns the error of making hasty judgements and comes to appreciate the difference between the superficial and the essential. The comedy of the writing lies in the depiction of manners, education, and marriage and money in the British Regency. Mr Bennet of the Longbourn estate has five daughters, but his property is entailed, meaning that none of the girls can inherit it. Since his wife had no fortune, it is imperative that one of the girls marries well in order to support the others on his death. However, Jane Austen's opening line 'It is a truth universally acknowledged that a single man in possession of a good fortune must be

in want of a wife' is a sentence filled with irony and playfulness. The novel revolves around the necessity of marrying for love, not simply for mercenary reasons despite the social pressures to make a good (i.e. wealthy) match.

PLOT: The novel opens with Mrs Bennet trying to persuade Mr Bennet to visit an eligible bachelor, Mr Bingley, who has arrived in the neighborhood. After some verbal sparring with Mr Bennet baiting his wife, it transpires that this visit has taken place at Netherfield (Mr Bingley's rented house). The visit is followed by an invitation to a ball at the local assembly rooms that the whole neighborhood will attend. At the ball, Mr Bingley is open and cheerful, popular with all the guests, and appears to be very attracted to the beautiful Miss Jane Bennet. His friend, Mr Darcy, is reputed to be twice as wealthy; however, he is haughty and aloof. He declines to dance with Elizabeth, suggesting that she is not pretty enough to tempt him.[2] She finds this amusing and jokes about the statement with her friends. Jane also attracts the attention of Mr Bingley's sister Caroline, who invites her to visit. Jane visits Miss Bingley and is caught in a rain shower on the way, catching a serious cold. Elizabeth, out of genuine concern for her sister's well being, visits her sister there. This is the point at which Darcy begins to see the attraction of Elizabeth, and Miss Bingley is shown to be jealous of Elizabeth since she wants to marry Darcy herself. Mr Collins, a cousin of Mr Bennet and heir to the Longbourn estate, visits the Bennet family. He is a pompous and obsequious clergyman because he expects each of the Bennet girls to wish to marry him due to his inheritance. He plans to propose to Elizabeth over Jane as he is led to believe Jane is taken. Elizabeth and her family meet the dashing and charming Mr Wickham who singles out Elizabeth and tells her a story of the hardship that Mr Darcy has caused him by depriving him of a living (position as clergyman in a prosperous parish with good revenue that once granted, is for life) promised to him by Mr Darcy's late father. Elizabeth's dislike of Mr Darcy is confirmed.[2] At a ball at which Mr Wickham is not present, Elizabeth dances with Mr Darcy rather against her will. Other than Jane and Elizabeth, all the members of the Bennet family show their lack of decorum. Mrs Bennet states loudly that she expects Jane and Bingley to become engaged and each member of the family exposes the whole to ridicule. The following morning, Mr Collins proposes to Elizabeth. She rejects him, to the fury of her mother and the relief of her father. They receive news that the Bingleys are leaving for London, and that Mr Collins has proposed to Charlotte Lucas, a sensible young woman and Elizabeth's friend. ...

pride and prejudice characters: Pride and Prejudice By Jane Austen Jane Austen, 1813-01-28 *Pride and Prejudice* is an 1813 romantic novel of manners written by Jane Austen. The novel follows the character development of Elizabeth Bennet, the dynamic protagonist of the book who learns about the repercussions of hasty judgments and comes to appreciate the difference between superficial goodness and actual goodness. Its humor lies in its honest depiction of manners, education, marriage, and money during the Regency era in England. Mr. Bennet of Longbourn estate has five daughters, but his property is entailed and can only be passed to a male heir. His wife also lacks an inheritance, so his family will be destitute upon his death. Thus, it is imperative that at least one of the girls marry well to support the others, which is a motivation that drives the plot. The novel revolves around the importance of marrying for love rather than money or social prestige, despite the communal pressure to make a wealthy match. The novel is set in rural England in the early 19th century. Mrs. Bennet attempts to persuade Mr. Bennet to visit Mr. Bingley, a rich bachelor who recently arrived in the neighborhood. After some verbal sparring with her husband, Mrs. Bennet believes he will not call on Mr. Bingley. Shortly afterward, he visits Netherfield, Mr. Bingley's rented residence, much to Mrs. Bennet's delight. At the ball, we are first introduced to the whole Netherfield party, which consists of Mr. Bingley, his two sisters, the husband of one of his sisters, and Mr. Darcy, his dearest friend. Mr. Bingley's friendly and cheerful manner earns him popularity among the guests. He appears attracted to Jane Bennet (the Bennet's eldest daughter),

with whom he dances twice. Mr. Darcy, reputed to be twice as wealthy, is haughty and aloof, causing a decided dislike of him. He declines to dance with Elizabeth (Bennet's second-eldest daughter), stating that she is not attractive enough to tempt him. Elizabeth finds this amusing and jokes about it with her friends. Mr. Collins proposes to Elizabeth. Her father informs her that if she doesn't marry Mr. Collins, her mother will never speak to her again, but if she does marry Mr. Collins, her father will never speak to her again. She rejects Collins, to her mother's fury and her father's relief. Shortly afterward, the Bingleys suddenly depart for London with no plans to return. After Elizabeth's rejection, Mr. Collins proposes to Charlotte Lucas, a sensible young woman and Elizabeth's friend. Charlotte, older (27), is grateful for a proposal that guarantees her a comfortable home and a secure future. Elizabeth is aghast at such pragmatism in matters of love. Meanwhile, a heartbroken Jane visits her aunt and Uncle Gardiner in London. It appears that Mr. Bingley has no intention of resuming their acquaintance. Mr. Bingley and Mr. Darcy return to Netherfield. Bingley proposes to Jane, who accepts. Lady Catherine, having heard rumors that Elizabeth intends to marry Mr. Darcy, visits Elizabeth and demands she promise never to accept Mr. Darcy's proposal. Elizabeth refuses and the outraged Lady Catherine withdraws after Elizabeth demands she leave for making insulting comments about her family. Darcy, heartened by his aunt's indignant relaying of Elizabeth's response, again proposes to her and is accepted. Elizabeth has difficulty in convincing her father that she is marrying for love, not position and wealth, but Mr. Bennet is finally convinced. Mrs. Bennet is exceedingly happy to learn of her daughter's match to Mr. Darcy and quickly changes her opinion of him. The novel concludes with an overview of the marriages of the three daughters and the great satisfaction of both parents at the fine, happy matches made by Jane and Elizabeth.

pride and prejudice characters: *Pride and Prejudice* (annotated and Illustrated) Jane Austen, 2020-04-25 *Pride and Prejudice* is a romantic novel of manners written by Jane Austen in 1813. The novel follows the character development of Elizabeth Bennet, the dynamic protagonist of the book who learns about the repercussions of hasty judgments and comes to appreciate the difference between superficial goodness and actual goodness. Its humour lies in its honest depiction of manners, education, marriage, and money during the Regency era in Great Britain. Mr Bennet of Longbourn estate has five daughters, but his property is entailed and can only be passed to a male heir. His wife also lacks an inheritance, so his family will be destitute upon his death. Thus it is imperative that at least one of the girls marry well to support the others, which is a motivation that drives the plot. The novel revolves around the importance of marrying for love, not for money or social prestige, despite the communal pressure to make a wealthy match. The novel is set in rural England in the early 19th century. Mrs Bennet attempts to persuade Mr Bennet to visit Mr Bingley, a rich bachelor recently arrived in the neighbourhood. After some verbal sparring with her husband, Mrs Bennet believes he will not call on Mr Bingley. Shortly after, he visits Netherfield, Mr Bingley's rented residence, much to Mrs Bennet's delight. The visit is followed by an invitation to a ball at the local assembly rooms that the entire neighbourhood will attend. At the ball, Mr Bingley's friendly and cheerful manner makes him popular with guests. He appears attracted to Jane Bennet (the Bennets' eldest daughter), with whom he dances twice. Bingley's friend, Mr Darcy, reputed to be twice as wealthy, is haughty and aloof, causing a decided dislike of him. He declines to dance with Elizabeth (the Bennets' second eldest daughter), stating she is not attractive enough to tempt him. Elizabeth

finds this amusing and jokes about it with her sisters. Mr Bingley's sister, Caroline, later invites Jane to Netherfield for dinner. On her way there, Jane is caught in a rain shower and develops a bad cold, forcing her to stay at Netherfield to recuperate. When Elizabeth goes to see Jane, Mr Darcy finds himself becoming attracted to Elizabeth, while Miss Bingley grows jealous, as she herself has designs on Mr Darcy. Mr Collins, Mr Bennet's cousin and heir to the Longbourn estate, visits the Bennet family. He is a pompous, obsequious clergyman who intends to marry one of the Bennet girls. After learning that Jane may soon be engaged, he quickly decides on Elizabeth, the next daughter in both age and beauty. Elizabeth and her family meet the dashing and charming army officer, George Wickham, who singles out Elizabeth. He says he is connected to the Darcy family and claims Mr Darcy deprived him of an occupation (a permanent position as a clergyman in a prosperous parish with good revenue) promised to him by Mr Darcy's late father. Elizabeth's dislike of Mr Darcy is confirmed. [Source: Wikipedia]

Excitement fizzles through the Bennet household at Longbourn in Hertfordshire when young, eligible Mr. Charles Bingley rents the fine house nearby. He may have sisters, but he also has male friends, and one of these--the haughty, and even wealthier, Mr. Fitzwilliam Darcy--irks the vivacious Elizabeth Bennet, the second of the Bennet girls. She annoys him. Which is how we know they must one day marry. The romantic clash between the opinionated Elizabeth and Darcy is a splendid rendition of civilized sparring. As the characters dance a delicate quadrille of flirtation and intrigue, Jane Austen's radiantly caustic wit and keen observation sparkle.

pride and prejudice characters: *Pride and Prejudice* Anam MANSOOR, Jane Austen, 2021-06-02 Since its immediate success in 1813, *Pride and Prejudice* has remained one of the most popular novels in the English language. Jane Austen called this brilliant work her own darling child and its vivacious heroine, Elizabeth Bennet, as delightful a creature as ever appeared in print. The romantic clash between the opinionated Elizabeth and her proud beau, Mr. Darcy, is a splendid performance of civilized sparring. And Jane Austen's radiant wit sparkles as her characters dance a delicate quadrille of flirtation and intrigue, making this book the most superb comedy of manners of Regency England. Among the writers who have approached nearest to the manner of the great master, we have no hesitation in placing Jane Austen. --Thomas Macaulay '*Pride and Prejudice*' is the best novel in the language. --Anthony Trollope I used to think that men did everything better than women, but that was before I read Jane Austen. I don't think any man ever wrote better than Jane Austen. --Rex Stout Elizabeth Bennet has but to speak, and I am at her knees. --Robert Louis Stevenson Read again, and for the third time at least, Miss Austen's very finely written novel of '*Pride and Prejudice*.' That young lady has a talent for describing the involvements and feelings and characters of ordinary life which is to me the most wonderful I ever met with. --Sir Walter Scott
