polyester prince lyrics prince: When a Black Man Loves Wine Zachary Marcus Cesare Harris, 2025-04-01 This all basically started as a response to someone who was frustrated at certain repeating scenarios combined with the frustrations I see not only in the world of wine, but the U.S. wine market specifically. So, what happens when you take an unapologetic Black guy from West Philly – West Philadelphia born and raised – with a diverse background whose been in many places and spaces that most folks would never imagine who falls in love with wine and learns it from a different perspective from how many are traditionally taught? Throw him in a scenario where he then puts a wine deal together and sees both the lies and the truths and realizes he could do it better, he just needs the money. Then set him on a course that would introduce him to thousands of wines and winemakers, taking him to portfolio tastings, trade shows and lunches, hosted tours, and B2B experiences from NY to DC in the United States, as well as Italy, Portugal and Spain, making tons of friends and associates along the way. And also uncovering more lies that most people never see. That's one way of looking at what has transpired since I first had some wonderful wines that fateful Friday night in 2006 when I went into Panorama Restaurant for a glass of wine, not knowing where that would lead me. And before I had gotten the idea and inspiration to jump into the industry, I could see so many issues within it, and so many missed opportunities. So these are my thoughts, musings, analysis, critiques, experiences, and revelations. If you want to know about my journey so far, this is for you. If you look like me, and are considering jumping into the wine industry, you want to read this one. If you are trying to sell wines in the US market [or are doing it and could be selling more], give this a read. You might agree, you might disagree, you might laugh and you might get pissed off at various parts of this book. Honestly, you should. But let me tell you one very important thing, I don't hold back, and so you might come away with some different ways of looking at things that you might not have ever considered before.

polyester prince lyrics prince: Spinster Kate Bolick, 2015-04-21 A New York Times Book Review Notable Book "Whom to marry, and when will it happen—these two questions define every woman's existence." So begins *Spinster*, a revelatory and slyly erudite look at the pleasures and possibilities of remaining single. Using her own experiences as a starting point, journalist and cultural critic Kate Bolick invites us into her carefully considered, passionately lived life, weaving together the past and present to examine why she—along with over 100 million American women, whose ranks keep growing—remains unmarried. This unprecedented demographic shift, Bolick explains, is the logical outcome of hundreds of years of change that has neither been fully understood, nor appreciated. *Spinster* introduces a cast of pioneering women from the last century whose genius, tenacity, and flair for drama have emboldened Bolick to fashion her life on her own terms: columnist Neith Boyce, essayist Maeve Brennan, social visionary Charlotte Perkins Gilman, poet Edna St. Vincent Millay, and novelist Edith Wharton. By animating their unconventional ideas and choices, Bolick shows us that contemporary debates about settling down, and having it all, are timeless—the crucible upon which all thoughtful women have tried for centuries to forge a good life. Intellectually substantial and deeply personal, *Spinster* is both an unreservedly inquisitive memoir and a broader cultural exploration that asks us to acknowledge the opportunities within ourselves to

live authentically. Bolick offers us a way back into our own lives—a chance to see those splendid years when we were young and unencumbered, or middle-aged and finally left to our own devices, for what they really are: unbounded and our own to savor.

polyester prince lyrics prince: Judique On The Job Allan MacDonald, 2021-11-09 *Judique on the Job: The Long Road to My Career* is a lighthearted memoir detailing the author's experiences growing up on Cape Breton Island, travelling, partying, and his never-ending trials and tribulations trying to find a career that would be satisfying on all levels. In his search, the author had about eighty different jobs, many of them unique and interesting. With a friendly and folksy tone, the book takes the reader on a tour of his adventures in employment, including work in correctional services, automobile repossession, student recruitment, and the military. The author also gives us the inside scoop on working as a film extra, rickshaw runner, doorman, and working numerous positions in the hospitality industry. The book will inspire and reassure younger readers struggling to find success and happiness in their work lives. It will also appeal to anyone with a sense of humour and an appreciation for a good story filled with joie de vivre. The book's unique title was inspired by a spirited local saying in Judique, Cape Breton Island: "Judique on the floor!" The expression is well known in the area, but its certain origin is not. As Judique was long thought to have the best step dancers in the area, if a Judique native stepped onto the dance floor, people would shout "Judique on the floor!" to alert other dancers they might as well throw in the towel. There is a second part to the story, where apparently Judiquers also liked to fight, so if they were not in the mood to dance, someone would sound the battle cry: "Judique on the floor! Who will dare put us off?" and one or more fisticuffs would ensue. This bit of local colour makes for an apt moniker for this unique and humorous tale.
