prophet muhammad wife khadijah book: Hazrat Khadijah bint Khuwaylid Dr. Iftekhhar Ahmed Shams, 2023-03-16 Hazrat Khadijah bint Khuwaylid, The First Muslim Khadijah, the first wife of the last Prophet of Allah and the first Believer, evokes a most extraordinary personality. She was, with Abu Talib, one of the two greatest supporters of Islam and the Muslims. She played a heavenly role in the history of nascent Islam. Exploring the gestation period of Islam, this biography focuses on the remarkable life story of one of the four greatest women of all time, one who wholeheartedly proclaimed her submission to the divine message delivered through the Prophet Muhammad (PBUH). My respect, love, and appreciation for her grew considerably while researching and writing this book. Addressing her unparalleled devotion to the message of the Prophet, this book shines a light on a figure who is an ideal role model for all men and women, Muslim and non-Muslim alike.

prophet muhammad wife khadijah book: *Khadija Daughter of Khuwaylid Wife of Prophet Muhammad* Yasin Al-Jibouri et al., 2016-06-21 Very little has been written about Lady Khadija daughter of Khuwaylid, the first wife of Prophet Muhammed; therefore, the author thinks that a book like this is needed not only by the Islamic library, but by the cultural library of the world. Khadija's impact on the lives of people went far beyond her time and will always continue. This tri-lingual book contains a beautiful love story. A woman falls in love, so she composes romantic

poems expressing her feelings, defying the male chauvinism of the time. If you enjoy romance, read this book. If you enjoy history, this is your book, and if you prefer biography, this is surely a biography book that takes you back to the time when the Prophet of Islam was 25 years old, that is, to A.D. 570, and its events take place in the trade metropolis of Mecca, Hijaz, describing the ways of life there and then, narrating the details of the Prophet's first and happiest marriage. It even describes to you wedding traditions at the time many of which are still alive. Another woman is discussed in this book, the most famous of the Prophet's wives, namely Aisha daughter of Abu Bakr. You will read how she led an army spurred by hatred and blind ambition in order to win the crown for her loved nephew, Abdullah ibn al-Zubayr, a relative of her husband, the Prophet of Islam. That was the Battle of the Camel of A.D. 656. It was then that Muslims killed Muslims, a shame that continues and apparently will always continue fueled by blind prejudices, intolerance and close-mindedness. This book is the story of two women: of one who loved and another who hated...

Take a trip on "How to Get a Life" and learn easy-to-understand advice from some of the world's greatest thinkers on: # The importance of relationships # How to get over misunderstandings # How to rise above mediocrity # What to do when things go wrong Along with topics ranging from God and the universe, to conceptions of love, sex and death, historical figures featured include: Martin Luther King, Jr., Joseph Campbell, Bill Wilson, Gerda Weissmann Klein, Albert Schweitzer, Oprah Winfrey, Buddha, Leo Buscaglia, Jane Goodall, the Dalai Lama, Muhammad, Confucius, and Richard of St. Victor

prophet muhammad wife khadijah book: Washington Irving and Islam Zubeda Jalalzai, 2018-05-25 Washington Irving and Islam contributes to understanding the relationship between the United States and the Islamic world, valuable not only for studies of Washington Irving, American Literature, or Islam, but also for thinking through the role Islam and the "Orient" have played in American literature and history, a critical field receiving ever-increasing attention. The global context of Irving's work ties these essays together as does an understanding that his writings challenge easy classification of the Muslim other, and, indeed, challenge easy classification of Irving's own responses to that other. Washington Irving bestrides opposing positions as well as distant worlds.

prophet muhammad wife khadijah book: Gender in History Merry E. Wiesner-Hanks, 2011-06-24 GENDER IN HISTORY Praise for the first edition: "Wiesner-Hanks ... accomplishes a near-impossible feat - a review of what is known about the construction of gender and the character of women's lives in all known cultures over the course of human history Theoretically sophisticated and doing justice to the historical and cross-cultural record, yet assimilable by students." Choice "Gender in History brilliantly explores the influence of gender constructs in political, social, economic, and cultural affairs. The remarkable cultural, geographical, and chronological range of Wiesner-Hanks' research is matched only by the sophistication, nuance, and clarity of her analysis. This book offers a rare and valuable global perspective on gender roles in human history." Jerry H. Bentley, University of Hawaii Over the past two decades, considerations of gender have revolutionized the study of history. Yet most books on the subject remain narrowly focused on a specific time period or particular region of the world. Gender in History: Global Perspectives, Second Edition, continues to redress this inequity by providing a concise overview of the construction of gender in many world cultures over a period stretching from the Paleolithic era to modern times. Thoroughly updated to reflect current developments in the field, the new edition

features entirely new sections which address primates, slavery, colonialism, masculinity, transgender issues, and other relevant topics. As in the well-received first edition, material is presented thematically to reveal the connections between gender and structures such as the family, economy, law, religion, sexuality, and the state. Wiesner-Hanks also investigates precisely what it meant to be a man or woman throughout history; how these roles were shaped by various institutions; and how they in turn were influenced by gender. The author presents material within each chapter chronologically to highlight the ways in which gender structures have varied over time. The new edition of *Gender in History: Global Perspectives* offers rich insights into all that is currently known about gender roles throughout world history. prophet muhammad wife khadijah book: *The Call to Hinduism in America* Jacques Cookson, 2020-11-13 I wrote this book for the reason listed in the title, to call and welcome my fellow americans to Hinduism. I feel like the message of Hinduism is one that is sorely needed in these times. In this book I'm not going to try to explain everything about Hinduism, there are a million very fine books that already do that and they're written by scholars much more qualified than me to do that. What I'm aiming to do is to introduce you to Hindu dharma and present the case as to why you should look into it and seriously consider embracing it. I feel like a lot of people out there are genuinely interested in Hinduism but don't know what to do about it. Or maybe they're practicing some kind of Hindu..ish spirituality at home in private but are nervous or shy for some reason about going to the temple or taking their Hinduishness to the next level. If you feel like I'm talking about you right now, I wrote this book for you. Maybe you're pagan/heathen and you're interested in Hinduism too because of Paganism's ancient connection to Hinduism. This book is for you too. I try to answer basic questions people have about Hinduism and address misconceptions people might have. I also give advice on spiritual practice. I'm not an english major, I write in the common tongue, like I speak so I feel like this book is probably going to be really easy to understand and it's going to be a lot like having a deep spiritual conversation with your uncle or good friend. If you're a fellow seeker on the spiritual path, this book is for you. Namaste and enjoy.
