summer words for kids: For the Love of Summer Susan Mallery, 2024-06-04 From #1 New York Times bestselling author Susan Mallery comes an unforgettable beach read about the unbreakable bond between mothers and daughters and finding friendship with the unlikeliest person, perfect for fans of Elin Hilderbrand and Emily Giffin... As the owner of Twisted, Seattle's best salons, Erica knows that the sharpest cuts come from the people we love. She's terrified that she's losing her teen daughter, Summer, to her "other" family, especially to her stepmom, Allison. All it takes to blow up Allison's happy life is one collect call. From prison. Her beloved husband, Peter, has been arrested, leaving Allison pregnant, broke, scared and alone with a toddler. But when her stepdaughter ferrets out the truth, the teen rushes to the last person Allison wants to ask for help—her husband's battle-ax ex. Erica would do anything for Summer, even take in the woman her daughter loves like a second mom. Allison feels intimidated by Erica—a woman who would never let herself become so dependent on a man. But the more time they spend together, the more Allison realizes what Erica truly needs is a friend. Can two women who married the same man move beyond their complicated past and rethink what it means to be family? Don't miss Susan Mallery's brand new novel, BEACH VIBES, a dazzling, clever and poignant story about the family we're born into—and the one we create for ourselves, coming March 2025! summer words for kids: *Educator Reflection Tips* Jami Fowler-White, Educators spend an abundance of time planning and preparing lessons, but how often do we as educators stop to think about and analyze the overall outcomes of our lessons--retention of knowledge, the appropriateness of the strategies, learner engagement, etc. The *Educator Reflection Tips* series provokes in-depth analysis of your everyday instructional practices, provides insights into what research says should be included within all aspects of instruction, poses reflection questions to help readers determine the effectiveness of the educational approaches used, and Fowler-White has even included tools to use as you craft a plan to adopt, adapt, or enhance your current practices. The distinctive format of the

first volume in this series enables readers to choose their own path to attain knowledge. Unlike other educational books, each Reflection Tip is written independently from the others, so there is no need to read the text cover to cover as is the traditional method of content written for educators. The three distinct clusters found within this volume include: #1 Content-driven Concepts which focuses on the instructional core and content-specific knowledge. #2 Classroom Competencies that outline instructional strategies educators can incorporate into their practice. #3 Classroom Culture which provides guidance for developing relationships and meeting the diverse needs of students. Additionally, you will find the E.M.P.O.W.E.R. Feedback Framework which the author created to outline the steps educators should take to help students take ownership of their learning and a Summertime S.L.I.D.E. Toolkit to help combat learning loss. It's everything you need to elevate your instructional practice. Come reflect with me!!
