- Accessibility and Platforms

Overview of the Glenn Beck Podcast

The Glenn Beck podcast is a daily audio program that delves into political news, cultural issues, and social commentary. Since its inception, the podcast has established itself as a key outlet for conservative viewpoints and discussions on American values. It often features Glenn Beck's analysis of current events, as well as interviews with experts, politicians, and thought leaders. The show's format allows for in-depth exploration of complex topics, making it a valuable resource for listeners seeking a deeper understanding of national and global affairs. The podcast is part of a larger media enterprise, including radio and television broadcasts, which collectively amplify its influence.

History and Evolution

The Glenn Beck podcast originated as an extension of Glenn Beck's radio and television presence, adapting to the growing demand for on-demand audio content. Over the years, it has evolved to incorporate diverse segments and interactive elements, reflecting changes in audience preferences and media consumption habits. The transition to podcasting has enabled Beck to reach a younger, tech-savvy demographic while maintaining his established listener base.

Core Themes and Topics

The podcast consistently addresses themes such as government policy, constitutional rights, economic trends, and cultural dynamics. It emphasizes the importance of individual liberty, free-market principles, and traditional American values. Additionally, the show often includes discussions on historical context, offering listeners a frame of reference for contemporary issues.

Content and Format

The Glenn Beck podcast is structured to provide both informative and engaging content through various formats. Each episode typically ranges from 30 minutes to over an hour, allowing for detailed

analysis and commentary. The podcast features monologues by Glenn Beck, guest interviews, and listener interaction segments. This variety ensures that the content remains dynamic and appealing to a broad audience.

Episode Structure

Episodes usually begin with a topical introduction, followed by a deep dive into news stories or political developments. Guest interviews often occur mid-episode, providing expert insights or firsthand accounts related to the subject matter. The show sometimes concludes with Beck's personal reflections or calls to action, encouraging audience engagement and awareness.

Guest Appearances

Guests on the Glenn Beck podcast range from politicians and policy experts to journalists and cultural commentators. These interviews enrich the content by presenting multiple viewpoints and fostering critical discussions. High-profile guests add credibility and attract a wider audience, enhancing the podcast's reputation as a serious platform for political discourse.

Audience Interaction

Listener participation is encouraged through social media channels and live events. The podcast occasionally features questions or comments from the audience, creating a sense of community and direct engagement. This interaction helps shape the content and keeps the show responsive to listener interests and concerns.

Host Profile: Glenn Beck

Glenn Beck, the host of the Glenn Beck podcast, is a prominent American media personality, author, and political commentator. Known for his distinctive style and passionate delivery, Beck has built a

significant following over several decades. His experience spans radio, television, and digital media, making him a versatile figure in the conservative media landscape.

Career Background

Beck began his career in radio, eventually transitioning to television, where he hosted popular shows on major networks. His expertise lies in political commentary, media analysis, and cultural critique. The podcast leverages his extensive background, allowing him to provide well-informed perspectives and articulate complex ideas effectively.

Political and Ideological Stance

Glenn Beck is widely recognized for his conservative and libertarian viewpoints. His commentary often emphasizes limited government, individual freedoms, and constitutional principles. The podcast reflects these values consistently, appealing to listeners who share similar beliefs or seek alternative viewpoints to mainstream media narratives.

Influence and Recognition

Throughout his career, Beck has received various awards and accolades for his contributions to media and political discourse. His ability to connect with audiences and shape public opinion has made him a significant influencer within conservative circles. The podcast continues this legacy by providing a platform for his voice and vision.

Audience and Reach

The Glenn Beck podcast enjoys a substantial and loyal audience primarily composed of conservative-leaning listeners interested in politics and current events. Its reach extends across the United States and internationally, thanks to the accessibility of podcast platforms and digital media.

Demographics

The core demographic includes adults aged 35 to 65, with a strong representation among politically engaged individuals. The audience tends to value in-depth analysis and ideological alignment with the podcast's themes. Additionally, the podcast attracts listeners who prefer on-demand content over traditional broadcast media.

Engagement Metrics

Listener engagement is measured through downloads, subscriptions, social media activity, and live event attendance. The Glenn Beck podcast consistently ranks among the top political podcasts in terms of audience size and interaction. High engagement levels reflect the show's relevance and resonance with its target audience.

Community Building

The podcast fosters a sense of community among listeners by encouraging discussions on social platforms and hosting special events. This community aspect strengthens loyalty and facilitates the exchange of ideas aligned with the podcast's ideological framework.

Impact on Political and Media Landscape

The Glenn Beck podcast has made a significant impact on the political media landscape by shaping conservative discourse and influencing public opinion. Its blend of commentary, analysis, and interviews contributes to the broader conversation about governance, policy, and culture in the United States.

Shaping Conservative Dialogue

By providing a platform for conservative voices and perspectives, the podcast helps frame political debates and mobilize grassroots support. Its influence extends to electoral politics, policy discussions, and cultural movements, reflecting the power of media in contemporary society.

Media Innovation and Adaptation

The podcast exemplifies how legacy media figures can successfully transition to digital formats. Its growth highlights the importance of adaptability in reaching modern audiences and maintaining relevance in a rapidly evolving media environment.

Criticism and Controversy

Like many political commentators, Glenn Beck and his podcast have faced criticism and controversy. Critics often challenge his interpretations and ideological stance. However, this controversy also fuels public interest and debate, underscoring the podcast's role in a vibrant media ecosystem.

Accessibility and Platforms

The Glenn Beck podcast is widely accessible across multiple platforms, ensuring that listeners can engage with content conveniently. This accessibility contributes to its expanding audience and sustained popularity.

Distribution Channels

The podcast is available on major podcast platforms such as Apple Podcasts, Spotify, and Google Podcasts, as well as on Glenn Beck's own media network. This multi-platform presence allows for broad reach and ease of access.

Subscription and Monetization

While many episodes are available for free, the podcast also offers premium content through subscription services. These premium offerings include ad-free episodes, exclusive interviews, and additional commentary, providing enhanced value for dedicated listeners.

Technological Features

Listeners benefit from features such as downloadable episodes, variable playback speeds, and offline listening. These technological conveniences enhance the user experience and encourage regular consumption of the podcast.

Key Features of the Glenn Beck Podcast

- Daily episodes with timely political commentary
- In-depth interviews with experts and influencers
- Emphasis on conservative and libertarian values
- Interactive listener engagement and community building
- Availability on multiple digital platforms and devices
- Premium subscription options for exclusive content

Additional Resources

1. *Arguing With Socialists: Glenn Beck's Guide to Defending Freedom*

This book offers a passionate critique of socialist policies and ideologies, reflecting themes often discussed on the Glenn Beck podcast. It provides readers with arguments and historical context to challenge socialist ideas and defend individual liberty. Beck emphasizes the importance of free markets and personal responsibility as foundations for a prosperous society.

2. *The Glenn Beck Program: Unfiltered Insights Into Today's Political Landscape*

A compilation of key discussions and monologues from Glenn Beck's podcast, this book delves into contemporary political issues with his signature blend of storytelling and analysis. It covers topics ranging from government overreach to cultural shifts in America. Readers gain a deeper understanding of Beck's perspective on current events and policy debates.

3. *Restoring America: Glenn Beck's Vision for a United Nation*

In this inspiring book, Glenn Beck outlines his ideas for healing divisions within the United States and returning to foundational principles. Drawing from episodes of his podcast, he emphasizes faith, family, and freedom as pillars of national strength. The book encourages civic engagement and personal accountability to foster unity and progress.

4. *The Founding Fathers and the Modern State: Lessons from Glenn Beck*

This title explores how the principles of America's Founding Fathers are relevant to today's political environment, a frequent theme on Beck's show. It analyzes constitutional issues, the balance of powers, and the role of government in citizens' lives. Beck's commentary highlights the enduring importance of the Constitution and limited government.

5. Truth Matters: Glenn Beck's Take on Media and Misinformation

Addressing the challenges of fake news and biased reporting, this book reflects Glenn Beck's critiques of mainstream media found throughout his podcast. It encourages readers to seek truth through critical thinking and multiple sources. The book also explores the impact of media on public opinion and democracy.

6. The Culture War Chronicles: Glenn Beck on America's Moral Crossroads

This book examines cultural conflicts and societal changes discussed in Glenn Beck's podcast, including debates over values, education, and identity. Beck provides historical context and moral reasoning to address these contentious issues. The book aims to inspire thoughtful dialogue and a return to shared values.

7. Liberty Under Fire: Glenn Beck's Analysis of Government Overreach

Focusing on themes of governmental power and individual rights, this book captures Glenn Beck's warnings about the dangers of excessive regulation and surveillance. It offers case studies and examples from recent political developments featured on his show. Readers are urged to remain vigilant in protecting personal freedoms.

8. The Patriot's Handbook: Glenn Beck's Call to Action

This motivational book distills Glenn Beck's podcast messages into practical steps for civic participation and community building. It encourages readers to become informed voters, engage in local initiatives, and uphold constitutional values. The handbook serves as a guide for those inspired to make a difference in their communities.

9. Faith and Freedom: Glenn Beck on the Role of Religion in America

This book explores the intersection of faith and politics, a recurring theme in Glenn Beck's podcast. It discusses how religious beliefs have shaped American ideals and continue to influence public life. Beck advocates for the protection of religious liberty as essential to the nation's moral and political fabric.

the glenn beck podcast: *Podcast Journalism* David Dowling, 2024-03-19 Runner-up, 2025 Tankard Book Award, Association for Education in Journalism and Mass Communication Podcasting's stratospheric rise has inspired a new breed of audio reporting. Offering immersive storytelling for a binge-listening audience as well as reaching previously underserved communities, podcasts have become journalism's most rapidly growing digital genre, buoying a beleaguered news industry. Yet many concerns have been raised about this new medium, such as the potential for disinformation, the influence of sponsors on content, the dominance of a few publishers and platforms, and at-times questionable adherence to journalistic principles. David O. Dowling critically examines how podcasting and its evolving conventions are transforming reporting—and even reshaping journalism's core functions and identity. He considers podcast reporting's most influential achievements as well as its most consequential ethical and journalistic shortcomings, emphasizing the reciprocal influences between podcasting and traditional and digital journalism. Podcasting, both as a medium and a business, has benefited from the blurring of boundaries separating news from entertainment, editorial from advertising, and neutrality from subjectivity. The same qualities and forces that have allowed podcasting to bypass the limitations of traditional categories, expand the space of social and political discourse, and provide openings for marginalized voices have also permitted corporations to extend their reach and far-right firebrands to increase their influence. Equally attentive to the medium's strengths and flaws, this is a vital book for all readers interested in how podcasting has changed journalism.

the glenn beck podcast: *Focus On: 100 Most Popular Former Roman Catholics* Wikipedia contributors,

the glenn beck podcast: *Why the World Doesn't Make Sense* Christine Menedis, 2025-04-15 A rare, hopeful read that will forever change the way you see the world. The world is unraveling—and most people can feel it. But the deeper problem isn't the chaos. It's that nothing makes sense anymore. In *Why the World Doesn't Make Sense*, writer and thinker Christine Menedis traces the fracture beneath our modern moment—exposing how a forgotten shift in how we define the human person led to the confusion, fragmentation, and loss of liberty we now call normal. She reveals how our institutions, ideologies, and even our best attempts at solutions are all rooted in a broken understanding of the individual. This isn't a culture war book. It's not a call to rebuild the system—or to burn it down. It's about truth: what happens when a society loses it, and how to find our way back home.

the glenn beck podcast: *Dark Future* Glenn Beck, 2023-07-11 In *Dark Future: Uncovering the Great Reset's Terrifying Next Phase*, New York Times bestselling authors Glenn Beck and Justin Haskins reveal the most important technologies and social and cultural changes that will soon cause an unprecedented level of disruption in the United States, as well as in countless other nations. They also outline the dangers and opportunities associated with these disruptions and provide a plan to protect individuals and families from losing their liberty. --Amazon.

the glenn beck podcast: *MOAN* Hope Sheridan, 2025-05-06 *MOAN*: a low prolonged sound of pain, grief, or distress Suicide is society's taboo topic. It is also one of the most tragic, regretful experiences we all encounter in our short lifetime. It is a wound that rarely heals for those left behind. We "moan" under the weight of distress, regret, and confusion. Yet we are hesitant to talk about suicide within our families or communities. This culture of silence is both deafening and

deadly. Sometimes God gives us a healing story so we can use it to give Him glory. Other times, God uses the traumatic events in our life to help others who are struggling. In the book titled, "MOAN: Stories of Suicide, Grief, Grace, and God", author Hope Sheridan hopes to do both by sharing the story of her teenage daughter's survival of the suicide of her entire step family. Through riveting storytelling, she reveals a story of God's hope, grace, and resilience as her daughter overcomes incredible adversity, trauma, and spiritual warfare using the best practices of science AND the Bible - together. Rooted in family dysfunction, domestic abuse, struggles with alcohol addiction, and untreated mental health disorders, this powerfully honest story gives the reader a deeper understanding of the phenomenon of suicidal behavior so that we all can do better to protect those at risk, especially our youth. It also reveals groundbreaking research connecting the dots between genetics and risk. Perhaps most importantly, MOAN provides easy to understand best practices which empower anyone to take action in compassionate advocacy for suicide prevention and resilience. Hope S.

the glenn beck podcast: Living a Life That Matters Sanford Zensen, 2025-01-23 Living a life that matters is within reach for everyone—a life of significance, one that makes a difference in the world and in daily interactions. This book presents a foundational approach to daily living designed to achieve the best results for making days and years truly meaningful. There is a better way to live life than what many have been led to believe. Living a Life That Matters encourages people to be authentic, to be real, and to live under the authority of God. They are called to know, love, and live according to God's Word, to engage the world with the truth of the Gospel, to find and fulfill God's purpose for their lives, and to live in His presence. This book invites individuals to deepen their relationship with God, glorify His name through attitude and action, and, for their own well-being, to pray. They are urged to pray without ceasing about everything and to prepare for the challenges ahead. Let the revolution begin. A life that matters is possible for all.

the glenn beck podcast: Big Podcast – Grow Your Podcast Audience, Build Listener Loyalty, and Get Everybody Talking About Your Show David Hooper, 2019-03-12 Is it worth doing a podcast if nobody listens? You started your podcast because you want to: - Spread an important message - Share your passion - Make money But your podcast hasn't quite taken off like you thought it would. What happened? This book is for podcasters who can't quite figure out what they're doing wrong (and are ready to do things right). You'll learn: - Why your "natural personality" may be repelling to people and how to make it attract listeners to your podcast like a magnet (See p198) - What to do when a company tries to "lowball" you on advertising fees (do nothing, except send them the email on p424) - It's easy to screw up an interview. To be sure you don't run into any problems, use my "guest contract" on p311. - A six-word "trick" (learned from a 20-year radio veteran) that will instantly make you a better host (it's on p210) - 9 reasons to kill an interview before it happens - ignore these "red flags" and you'll be sorry (p299) - What Victoria's Secret models know about podcasting (even though you never hear them talk) - this lesson starts on p208! - Nervous on the mic? You have lots of company - 75% of podcasters to be exact. I give you a 5-step way to cure your "stage fright" on p229. - If you're scared of getting bad reviews, don't worry - I have three simple ways to handle critics on p236 (two of which can turn critics into fans) - Why copying top podcasters may be killing your podcast (I share the story on p116) and how to develop a podcasting style that works for you (and will attract more listeners) - My 3-step "episode teaser" formula - it's boring, but it works (get it on p110) - Thinking of doing a "daily" podcast? You must read p103 before you start. - Want to impress a guest? See the chapter starting on p321 for my 3-step followup "ritual" that will make being on your podcast unforgettable (and encourage guests to promote your episodes) And that's just the start ... This book contains my complete system on how to attract listeners, deliver your message effectively, and build a big podcast. You can't build a big podcast on hope. But you can build a big podcast. And if you're ready to do just that, read this book.

the glenn beck podcast: Rising Star Jason A. Kirk, 2021-12-08 Nikki Haley has been an emerging force in American politics, her star power burnished over a decade that has seen her move from the national spotlight to the global stage. In Rising Star, political scientist Jason A. Kirk

analyzes her ascendance in the Republican Party, from her governorship of South Carolina—during which she faced extraordinary challenges in a state reckoning with tragedy, race, and its own history—to her elevated profile as Donald Trump’s ambassador to the United Nations, where, as the daughter of immigrants and a woman of color, she became the face of his America First policy to the world. In considering a wide range of perspectives, Kirk illuminates how the combination of Haley’s political talents and her identity as an Indian American, Christian, southern woman has made her an unlikely bridge between the Trump years and the GOP’s embattled path forward.

the glenn beck podcast: Uprising John Nichols, 2012-02-14 On February 11, 2011, Wisconsin Governor Scott Walker announced he would strip collective bargaining rights from public employees and teachers. In response, people rose up in mass protest, and Wisconsin became a reference point for a renewal of labor militancy and radical politics. These protests elicited extensive national media coverage, and drew more attention from the general public than any American labor struggle in decades. John Nichols’s *Uprising* traces the roots of this struggle -- which has faced legislative disappointments, legal challenges, and dramatic electoral twists and turns -- and in the process reveals how Scott Walker rose to national prominence and went on to become a frontrunner in the Republican race for the nomination in 2016. At a time when public services are under assault from corporate privatizers and billionaire political donors, the public repudiation of Walker’s efforts (and the shadowy interests like the Koch Brothers behind them) has translated into a broader challenge to corporate America, Wall Street, the far Right, and its media echo chamber.

the glenn beck podcast: I Never Thought of It That Way Mónica Guzmán, 2022-03-08 PORCHLIGHT BOOKS JUNE 2022 NONFICTION BESTSELLER Assigned reading for fractured families aspiring to a harmonious Thanksgiving dinner. —New York Times Anyone who sincerely wants to bridge the gaps in understanding will appreciate this book. —Manhattan Book Review Learn how to bring curiosity and courage to even the most difficult conversations across America’s polarized political divide with these actionable tools for navigating challenging disagreements. Journalist Mónica Guzmán is the loving liberal daughter of Mexican immigrants who voted—twice—for Donald Trump. When the country could no longer see straight across the political divide, Mónica set out to find what was blinding us and discovered the most eye-opening tool we’re not using: our own built-in curiosity. Partisanship is up, trust is down, and our social media feeds make us sure we’re right and everyone else is ignorant (or worse). But avoiding one another is hurting our relationships and our society. In this timely, personal guide, Mónica, the chief storyteller for the national cross-partisan depolarization organization Braver Angels, takes you to the real front lines of a crisis that threatens to grind America to a halt—broken conversations among confounded people. She shows you how to overcome the fear and certainty that surround us to finally do what only seems impossible: understand and even learn from people in your life whose whole worldview is different from or even opposed to yours. Drawing from cross-partisan conversations she’s had, organized, or witnessed everywhere from the echo chambers on social media to the wheat fields in Oregon to raw, unfiltered fights with her own family on election night, Mónica shows how you can put your natural sense of wonder to work for you immediately, finding the answers you need by talking with people—rather than about them—and asking the questions you want, curiously. In these pages, you’ll learn: How to ask what you really want to know (even if you’re afraid to) How to grow smarter from even the most tense interactions, online or off How to cross boundaries and find common ground—with anyone Whether you’re left, right, center, or not a fan of labels: If you’re ready to fight back against the confusion, heartbreak, and madness of our dangerously divided times—in your own life, at least—Mónica’s got the tools and fresh, surprising insights to prove that seeing where people are coming from isn’t just possible. It’s easier than you think.

the glenn beck podcast: ascent Media Literacy, 2017-12-15 The College of St. Scholastica discusses many forms of media and the uniqueness of media. Topics discussed: artificial intelligence, the simulation theory, technological advancements, digital currency, and more. Students studied the history of the media to see how the sharing of ideas were passed along for generations up until today. The papers that make up this book are influenced and written about what was discussed in a

Media Literacy topics course.

the glenn beck podcast: The Routledge Handbook of Religion and American Culture

Chad E. Seales, 2025-03-31 The Routledge Handbook of Religion and American Culture explains where religion is made in the United States. It offers essays profiling cultural sites, including energy, industry, public life, music, arts and entertainment, and life and death. These sites organize the volume's 31 chapters, demonstrating how cultural religion has been constructed and performed in specific historical and ethnographic case studies. This volume offers a much-needed resource for Religious Studies scholars and students interested in the study of religion and culture in the United States, as well as those in American Studies, Anthropology of Religion, Sociology of Religion, Material Culture Studies, Environmental Studies, and History.

the glenn beck podcast: The Republican Resistance Jeff R. DeWitt, Andrew L. Pieper,

2020-10-23 The election of Donald Trump as President of the United States in November 2016 was a political earthquake, one supporters and detractors alike agree has changed the course of history. The policy implications have been stark and will continue well beyond his presidency. The political implications have been perhaps even more drastic—for both political parties. Trump has shaken the 40-year-old coalition of traditional conservatives, orthodox religious voters, and free-market libertarians that has long-composed the Republican Party. The Republican Resistance: #NeverTrump Conservatives and the Future of the GOP explores the members of that coalition, especially traditional, establishment-oriented Republicans and conservative intellectuals who opposed his candidacy, who generally still oppose his presidency, and who represent the elite-in-waiting that believes it will have to rebuild the GOP when the Trump coalition implodes. In the end, The Republican Resistance argues that the Trump presidency and the #NeverTrump countermovement reflect key features of modern American politics which both major political parties must contend: the rise of a populist insurgency intent on overtaking the parties from within and challenges of embracing demographic and structural realities on the one hand while catering to a political base often built to oppose those trends on the other.

the glenn beck podcast: Newsfail Jamie Kilstein, Allison Kilkenny, 2015-11-03

A hilarious and informative primer on the most urgent issues of our day, from the creators and co-hosts of Citizen Radio, a 100% listener-supported show whose slogan is 'independent radio that won't lead you to war'--Amazon.com.

the glenn beck podcast: Podcast Gazeteciliği : Sesli Haberciliğin Vaatleri ve Riskleri

David O. Dowling, Podcast gazeteciliğinin yükselişi, yeni bir sesli habercilik anlayışını beraberinde getirdi. Podcast yayıncılığı, sürükleyici hikâye anlatımı sunarak ve daha önce yeterince temsil edilmemiş topluluklara ulaşarak, dijital gazeteciliğin en hızlı büyüyen türlerinden biri hâline geldi. Ancak bu büyüme, dezenformasyon tehlikesi, sponsorların içerik üzerindeki etkisi, belirli platformların tekelleşmesi ve gazetecilik ilkelerine bağlılık gibi kritik tartışmaları da beraberinde getiriyor. David O. Dowling, bu çalışmada podcast yayıncılığının, haberciliğin temel işlevlerini ve gazeteciliğin kimliğini nasıl dönüştürdüğünü ele alıyor. Geleneksel ve dijital gazetecilikle etkileşimini analiz ederek, bu yeni haber formatının getirdiği vaatleri ve riskleri değerlendiriyor. Haber ile eğlence, editöryal ile reklam, tarafsızlık ile öznellik arasındaki sınırların giderek bulanıklaştığı bu ortamda, podcast yayıncılığı bir yandan özgün seslere alan açarken, diğer yandan büyük medya kuruluşlarının ve siyasi aktörlerin etkisini artırmasına da zemin hazırlıyor. Podcast yayıncılığının gazetecilik üzerindeki etkilerini anlamak isteyen herkes için vazgeçilmez bir kaynak.

the glenn beck podcast: Misogyny in American Culture Letizia Guglielmo Ph.D., 2018-10-01

This set surveys American misogyny in all its cultural forms, from popular music, film, and education to healthcare, politics, and business. The work also assesses proposals to confront and reduce such

expressions of hatred. The essays contained in this two-volume set explore misogyny within various areas of American culture to demonstrate its pervasiveness and identify common foundations of its many presentations. Beyond a basic definition of misogyny, which includes hatred of women and girls and the ways in which this hatred and distrust influences action, speech, discrimination, policy, and culture in the United States, this project also aims to expand and complicate definitions of misogyny in order to provide readers with a robust introduction to and understanding of the larger topic. Given the current political and cultural climate and the more frequent and widespread use of the term misogyny by various media outlets and voters during the 2016 presidential election, this book has the potential both to contribute to ongoing conversations on misogyny and, among its intended audience of advanced high school, beginning college students and the general public, to inform a shift currently unfolding in public conversation on the topic.

the glenn beck podcast: *Behind the Lines* Adam Davis, Chad Robichaux, 2021-05-04 Become the warrior you are meant to be. *Behind the Lines* is a 365-day devotional written to encourage, empower, and inspire those who serve our nation. No matter your branch of military service, the words found within these pages will equip you with God's wisdom as you hold the line against evil and protect the innocent. Discover the true source of - strength for serving - power for persevering - protection in times of danger - resilience during adversity - peace amid conflict You are fully equipped, completely prepared, and wholly trained to face your calling from God. Praise be to the Lord my Rock, who trains my hands for war, my fingers for battle. Psalm 144:1 NIV

the glenn beck podcast: *The Gap in God's Country* Laurie M. Johnson, 2024-10-18 Laurie M. Johnson argues that America's culture wars may seem to have erupted in the past couple of decades, but they go back centuries. For those who think that Christian nationalism (or right-wing populism) is the problem to be solved, that some people simply need to understand Christianity or politics better and become reasonable, read on. Christian nationalism and other ideological extremes are symptoms of major economic, technological, spiritual, and psychological shifts that have left too many people uprooted, disenchanted, and precarious. There are no easy answers, but Johnson tries to show a path out that enlists not only individuals, but also church and state. Without leadership and structure provided at the levels of the church and state, Christians, and those impacted by them, will remain part of the problem and not the solution. Johnson says to Christians: change is not talk, it's action, and Christian action can only happen with leadership that creates a context where we can work together, rather than wasting our time in culture wars.

the glenn beck podcast: *Stolen Valor: The Military Fraud and Government Failures of Tim Walz* Josh Manning, Erin Brownback, 2024-10-02 From cowardice in the military to unchecked government overreach, *Stolen Valor* exposes the shocking truth behind Minnesota Governor Tim Walz's carefully crafted public image and his ongoing efforts to introduce Marxism to America. In this hard-hitting investigation, authors Josh Manning and Erin Brownback unravel the lies and misrepresentations that have propped up Walz's political career. Drawing from extensive research and interviews with those who served alongside him, *Stolen Valor* uncovers the real story behind Walz's military service—how he abandoned his unit before deployment, misrepresented his rank, and misled voters about his combat experience. But the deceit doesn't end there. The book dives into Walz's political career, from his radical pro-abortion agenda to his dangerous COVID lockdowns and his failure to protect Minnesotans during the 2020 riots. This is more than a biography; it's a call to action against the creeping influence of socialism and Marxism in American politics. *Stolen Valor* delivers a gripping account of betrayal, cowardice, and the dangerous consequences of unchecked political power. Tim Walz has deceived Americans—and now the truth is out. Are you ready to face it?
