

the satanic temple

the satanic temple is a nontheistic religious organization that has gained significant attention for its unique blend of activism, religious freedom advocacy, and cultural critique. Founded in 2013, the satanic temple challenges traditional religious norms and promotes secularism, social justice, and the separation of church and state. This article explores the history, beliefs, practices, and public impact of the satanic temple, highlighting its role in contemporary religious and political discourse. Emphasizing its symbolic use of Satan as a metaphor for personal sovereignty and critical inquiry, the satanic temple has sparked debates on religious pluralism and constitutional rights in the United States and beyond. Readers will learn about the temple's organizational structure, key campaigns, and its philosophy that distinguishes it from other religious movements. The following sections provide a comprehensive overview of the satanic temple's origins, core tenets, public initiatives, and controversies surrounding its activities.

- History and Origins of The Satanic Temple
- Core Beliefs and Philosophy
- Organizational Structure and Membership
- Public Activism and Legal Campaigns
- Controversies and Public Perception

History and Origins of The Satanic Temple

The satanic temple was established in 2013 by Lucien Greaves and Malcolm Jarry as a countercultural religious movement that uses Satanic imagery to advocate for secularism and individual rights. Unlike traditional religious satanism, the satanic temple does not worship or believe in a supernatural Satan. Instead, it employs Satan as a symbol of rebellion against arbitrary authority and dogma. The organization quickly attracted attention for its unconventional approach to religious freedom and its challenge to Christian dominance in public spaces.

Founding Principles and Early Development

The satanic temple's founding principles emphasize compassion, justice, and the pursuit of knowledge. Its founders sought to create a community that champions personal autonomy and critical thinking, using Satanic symbolism to provoke thought and question societal norms. Early activities included public statements, art installations, and legal challenges aimed at promoting separation of church and state.

Growth and Expansion

Since its inception, the satanic temple has expanded its reach through chapters across the United States and internationally. Its membership has grown steadily, drawing individuals interested in social activism, religious liberty, and secular humanism. The organization's media presence and legal successes have contributed to its rising prominence in cultural and political discussions.

Core Beliefs and Philosophy

The satanic temple's belief system is rooted in nontheism and rationalism, rejecting supernaturalism and embracing empirical inquiry. Its philosophy centers on symbolism, ethics, and advocacy rather than worship.

The Seven Tenets

The satanic temple is guided by seven core tenets that outline its ethical framework and worldview. These tenets emphasize compassion, justice, personal autonomy, and respect for others' freedoms. They serve as a moral code for members and inform the temple's public actions.

- One should strive to act with compassion and empathy toward all creatures in accordance with reason.
- The struggle for justice is an ongoing and necessary pursuit that should prevail over laws and institutions.
- One's body is inviolable, subject to one's own will alone.
- The freedoms of others should be respected, including the freedom to offend.
- Beliefs should conform to one's best scientific understanding of the world.
- People are fallible; one should be open to changing one's beliefs based on new evidence.
- Every person is responsible for their actions and must strive to respect the autonomy of others.

Symbolism of Satan

In the satanic temple, Satan represents the eternal rebel, the embodiment of questioning authority and dogma. This symbolic interpretation distances the temple from theistic devil worship and frames Satan as a metaphor for personal freedom, individualism, and enlightenment.

Organizational Structure and Membership

The satanic temple operates as a nonprofit religious organization with a hierarchical yet decentralized structure that accommodates local chapters and autonomous groups. Its leadership coordinates national campaigns and manages official resources.

Leadership and Governance

The satanic temple is governed by a board of directors and an executive team responsible for strategic planning, legal affairs, and public relations. This leadership ensures alignment with the temple's mission and facilitates collaboration among chapters.

Membership and Community

Membership in the satanic temple is open to individuals who subscribe to its tenets and mission. Members participate in rituals, social events, and activism. The temple fosters a supportive community focused on education, advocacy, and mutual respect.

Public Activism and Legal Campaigns

The satanic temple is widely recognized for its innovative activism and legal challenges aimed at defending religious freedom and secularism. Its campaigns often highlight perceived religious favoritism by government entities.

Notable Campaigns

The satanic temple has initiated several high-profile campaigns, including:

- Challenging the presence of Christian monuments on public property by proposing Satanic statues.
- Advocating for reproductive rights and bodily autonomy through public demonstrations and legal actions.
- Opposing religious exemptions in laws that conflict with secular principles.
- Promoting after-school programs that teach scientific skepticism and critical thinking.

Impact on Religious Freedom Laws

Through litigation and public advocacy, the satanic temple has influenced discussions about the First Amendment's Establishment Clause and the Equal Protection Clause. Its efforts have

underscored the importance of religious plurality and the prevention of government endorsement of particular faiths.

Controversies and Public Perception

The satanic temple's provocative imagery and activism have generated both support and criticism. Public perception varies widely, influenced by cultural attitudes toward religion and secularism.

Media Representation

Media coverage of the satanic temple often focuses on its provocative campaigns and legal battles, sometimes sensationalizing its use of Satanic symbolism. While some portray the temple as a defender of civil liberties, others depict it as controversial or antagonistic to mainstream religious values.

Criticism and Challenges

The satanic temple has faced criticism from religious groups who view its activities as offensive or blasphemous. Additionally, some secular critics question the effectiveness of its confrontational tactics. Despite these challenges, the temple continues to assert its role as a legitimate religious organization and advocate for secularism.

Frequently Asked Questions

What is The Satanic Temple?

The Satanic Temple is a nontheistic religious and activist organization that uses Satanic imagery to promote secularism, individual freedoms, and social justice.

Is The Satanic Temple associated with worshipping Satan?

No, The Satanic Temple does not worship Satan as a deity. It uses Satan as a symbol of rebellion against arbitrary authority and promotes rational inquiry and personal autonomy.

What are some of the main beliefs of The Satanic Temple?

The Satanic Temple advocates for secularism, separation of church and state, individual rights, empathy, and scientific reasoning, rather than supernatural beliefs.

How does The Satanic Temple participate in activism?

The Satanic Temple engages in activism by challenging religious privilege in government, advocating for reproductive rights, promoting LGBTQ+ equality, and supporting freedom of

expression.

Has The Satanic Temple been involved in any legal actions?

Yes, The Satanic Temple has been involved in various legal actions to defend religious freedom and challenge government endorsement of religion, including cases involving public monuments and abortion rights.

Where is The Satanic Temple active?

The Satanic Temple has chapters across the United States and in several other countries, actively engaging in community organizing, activism, and educational campaigns.

Additional Resources

1. The Satanic Temple: A Guide to Rational Inquiry and Activism

This book explores the philosophies and activism of The Satanic Temple, emphasizing reason, individualism, and social justice. It provides an overview of the organization's principles and how they challenge authoritarianism and promote secularism. Readers gain insight into the group's public campaigns and symbolic protests.

2. Seven Tenets: The Ethical Framework of The Satanic Temple

Delving into the core tenets of The Satanic Temple, this book examines the ethical and moral guidelines that shape its members' beliefs and actions. It discusses the importance of empathy, justice, and personal autonomy. The book also contrasts these principles with traditional religious doctrines.

3. Modern Satanism: The Rise of The Satanic Temple

This title traces the emergence of The Satanic Temple within the broader context of contemporary Satanism. It looks at the cultural and political factors that contributed to the group's popularity. The book also covers significant events and legal battles involving the Temple.

4. Symbols of Rebellion: The Iconography of The Satanic Temple

Focusing on the visual and symbolic aspects, this book analyzes the imagery used by The Satanic Temple, including the Baphomet statue and other motifs. It explores how symbolism is used to provoke thought and challenge societal norms. The book also explains the historical origins of these symbols.

5. Activism and the Occult: The Satanic Temple's Fight for Religious Freedom

This book details The Satanic Temple's efforts to advocate for religious pluralism and separation of church and state. It highlights landmark cases and public demonstrations aimed at protecting civil liberties. The narrative underscores the intersection of occult beliefs and political activism.

6. The Satanic Temple and Contemporary Social Movements

Examining the Temple's role in modern social movements, this book discusses its involvement in issues such as reproductive rights, LGBTQ+ advocacy, and anti-discrimination efforts. It positions the organization as a unique intersection of religion and progressive activism. The book also includes interviews with key members.

7. Rituals and Practices: Understanding The Satanic Temple

This book provides an inside look at the rituals, ceremonies, and community practices within The Satanic Temple. It explains how these activities serve as expressions of personal empowerment and communal solidarity. The text demystifies misconceptions about Satanic rituals.

8. The Legal Battles of The Satanic Temple: Challenging Religious Norms

Focusing on the legal dimension, this book chronicles the various lawsuits and legal challenges undertaken by The Satanic Temple to assert religious rights. It reviews cases related to religious displays, healthcare, and education. The book offers a critical analysis of the implications for church-state relations.

9. Faith Without Faith: The Philosophy of The Satanic Temple

This philosophical exploration delves into the non-theistic belief system of The Satanic Temple. It discusses themes of skepticism, existentialism, and humanism as foundations for the group's worldview. The book encourages readers to reconsider traditional concepts of faith and spirituality.

the satanic temple: Speak of the Devil Joseph P. Laycock, 2020-01-20 In 2013, when the state of Oklahoma erected a statue of the Ten Commandments on the grounds of the state capitol, a group calling themselves The Satanic Temple applied to erect a statue of Baphomet alongside the Judeo-Christian tablets. Since that time, The Satanic Temple has become a regular voice in national conversations about religious freedom, disestablishment, and government overreach. In addition to petitioning for Baphomet to appear alongside another monument of the Ten Commandments in Arkansas, the group has launched campaigns to include Satanic nativity scenes on government property in Florida, Michigan, and Indiana, offer Satanic prayers at a high school football game in Seattle, and create After School Satan programs in elementary schools that host Christian extracurricular programs. Since their 2012 founding, The Satanic Temple has established 19 chapters and now claims 100,000 supporters. Is this just a political group perpetuating a series of stunts? Or is it a sincere religious movement? *Speak of the Devil* is the first book-length study of The Satanic Temple. Joseph Laycock, a scholar of new religious movements, contends that the emergence of political Satanism marks a significant moment in American religious history that will have a lasting impact on how Americans frame debates about religious freedom. Though the group gained attention for its strategic deployment of outrage, it claims to have developed beyond politics into a genuine religious movement. Equal parts history and ethnography, *Speak of the Devil* is Laycock's attempt to take seriously The Satanic Temple's work to redefine religion, the nature of pluralism and religious tolerance, and what religious freedom means in America.

the satanic temple: Speak of the Devil Joseph P. Laycock, 2020-01-20 *Speak of the Devil* is the first book-length study of The Satanic Temple. Joseph Laycock, a scholar of new religious movements, contends that the emergence of political Satanism marks a significant moment in American religious history that will have a lasting impact on how Americans frame debates about religious freedom. Though the group gained attention for its strategic deployment of outrage, it

claims to have developed beyond politics into a religious movement. Equal parts history and ethnography, *Speak of the Devil* demonstrates why religious Satanism is significant to larger conversations about the definition of religion, religious freedom, and religious tolerance.

the satanic temple: Founding of The Satanic Temple Shane Bugbee, 2023-04-30 THE FOUNDING OF THE SATANIC TEMPLE - THEIR SECRET REVEALED!!!! The Satanic Temple has spent a decade propagating lies and deceiving the media and their membership. BUT WHY? Find out in this explosive expose as told by one of the founders and, an actual authority on Satanism - Shane Bugbee. Bugbee was a longtime friend and mentor to Lucien Greaves / Doug Mesner as well as the last person Anton LaVey chose to represent modern Satanism, a philosophy LaVey created in 1969 - THE YEAR FLESH BECAME LAW. The idea for the Satanic Temple dates back two decades when the two met over the book *Might is Right*. Why would Bugbee's young protege of over a decade, Doug Mesner, aka: Lucien Greaves hide the role his mentor and muse played in creating the Satanic Temple? Shane knows Dougs secrets and, with the brutal honesty Bugbee is known for, he tells them in his new book- FOUNDING OF THE SATANIC TEMPLE - THEIR SECRETS REVEALED! This book is full of stories straight from Shane Bugbee's mouth and also features original writings and comments from Karla LaVay, Stanton LaVey, Peter H. Gilmore as well as a rare contribution from Anton LaVey and his thoughts on *Might is Right* as well as an exclusive Lucien Greaves interview with Shane Bugbee. 8.5 x 11 PAGE COUNT: 345 PAGES

the satanic temple: *Uh-Uh, Satan!* W. J. Timmerman, 2017-02-06 Do you believe in Satan? Why is he called the prince of the world? How do most modern movies portray him? What is Satan really like? Uh-uh, Satan! will tell you more about the evil one than you probably ever knew before. You will learn what Satan actually has said to famous saints, like Padre Pio, and during an American exorcism sanctioned by the church. The book details the strategy and basic tactics Satan used on Adam and Eve, with Jesus in the desert, and most likely again, with Jesus in the garden of Gethsemane. The author maintains Satan employs the same plan of attack on us today. He openly shares how Satan got a hold of him, which led to a crippling spiritual infection. Then he explains how he has safeguarded himself from relapse and describes his specific plan of protection from evil. Learn more about the mysterious 3:00 a.m. window phenomenon, the noxious odor demons give off, plus the strange case of Diane, who was in healing ministry, training with the author.

the satanic temple: Make the Devil Homeless Vladimir Savchuk, 2025-10-07 Shut the door on darkness before it consumes your soul. While reading this book, you will be able to recognize spiritual oppression, break curses, and overcome soul ties. You will also be able to slam the door shut on any dark forces trying to take control. In *Make the Devil Homeless*, pastor and deliverance minister Vladimir Savchuk offers a practical guide to breaking free from demonic strongholds and living victoriously. Drawing from biblical truths and ministry experience, Savchuk will equip you to: Recognize spiritual oppression Break curses Overcome soul ties Move from deliverance to dominion Covering topics like haunted houses, bloodline curses, and second-heaven warfare, this book empowers readers to shut the door on darkness and walk in God's abundant freedom. Whether seeking personal breakthrough or helping others, *Make the Devil Homeless* is your roadmap to lasting spiritual victory.

the satanic temple: Giving the Devil His Due Jeffrey Andrew Weinstock, Regina M. Hansen, 2021-10-05 Finalist, 2021 Bram Stoker Awards (Superior Achievement in Non-Fiction) The first collection of essays to address Satan's ubiquitous and popular appearances in film *Lucifer* and cinema have been intertwined since the origins of the medium. As humankind's greatest antagonist and the incarnation of pure evil, the cinematic devil embodies our own culturally specific anxieties and desires, reflecting moviegoers' collective conceptions of good and evil, right and wrong, sin and salvation. *Giving the Devil His Due* is the first book of its kind to examine the history and significance of Satan onscreen. This collection explores how the devil is not just one monster among many, nor is he the "prince of darkness" merely because he has repeatedly flickered across cinema screens in darkened rooms since the origins of the medium. Satan is instead a force active in our lives. Films featuring the devil, therefore, are not just flights of fancy but narratives, sometimes

reinforcing, sometimes calling into question, a familiar belief system. From the inception of motion pictures in the 1890s and continuing into the twenty-first century, these essays examine what cinematic representations tell us about the art of filmmaking, the desires of the film-going public, what the cultural moments of the films reflect, and the reciprocal influence they exert. Loosely organized chronologically by film, though some chapters address more than one film, this collection studies such classic movies as *Faust*, *Rosemary's Baby*, *The Omen*, *Angel Heart*, *The Witch*, and *The Last Temptation of Christ*, as well as the appearance of the Devil in Disney animation. Guiding the contributions to this volume is the overarching idea that cinematic representations of Satan reflect not only the hypnotic powers of cinema to explore and depict the fantastic but also shifting social anxieties and desires that concern human morality and our place in the universe. Contributors: Simon Bacon, Katherine A. Fowkes, Regina Hansen, David Hauka, Russ Hunter, Barry C. Knowlton, Eloise R. Knowlton, Murray Leeder, Catherine O'Brien, R. Barton Palmer, Carl H. Sederholm, David Sterritt, J. P. Telotte, Jeffrey Andrew Weinstock

the satanic temple: Satanism Per Faxneld, Johan Nilsson, 2023 Satanism is a current of thought that generates intense feelings. It remains understudied by academics. This selection of key source texts from the period 1841 to 2017 attempts to remedy that gap. Ranging from the esoteric to the anti-clerical, countercultural, and political, the texts span a wide variety of genres, from poetry and polemical religious tracts to ritual instructions and internet FAQ's. All are provided with comprehensive introductions, written by specialists in the field, that offer readers both critical historical context and expert scholarly interpretation. Chronologically structured, the book can be read as a succinct historical overview of the development of Satanism, with the immediacy that only primary sources can provide. It is ideal for both classroom and research use, as well as a fascinating read for anyone with an interest in the occult, the transgressive, secularization, and the fringes of the religious landscape.

the satanic temple: In the Name of the Devil Dipesh Piplani, 2025-06-12 When fear becomes evidence, history becomes horror. *In the Name of the Devil* explores the dark era of Satanic Panic in 1980s and 1990s America, when tales of Satanic Ritual Abuse (SRA), occult crimes, and cult crimes gripped the nation. This meticulously researched account examines high-profile trials like the McMartin Preschool, West Memphis Three, and Ricky Kasso cases, revealing how moral panic, media hysteria, and recovered memory therapy turned unverified allegations into courtroom drama. Discover how occult conspiracies and demonic scapegoats influenced families, communities, and justice itself, and learn the real-life aftermath of a panic that destroyed lives and reshaped the legal system. Perfect for fans of true crime, historical true crime, psychological manipulation, and paranormal conspiracies, this book uncovers the chilling intersection of occult crime and mass hysteria.

the satanic temple: The Kingdom of the Cults Handbook Walter Martin, Jill Martin Rische, 2020-01-07 False religions abound in the US and beyond, and Christians need information they can trust. Since the 1960s, *The Kingdom of the Cults* has been a trustworthy, well-researched resource on this topic for pastors, lay leaders, and other Christians. *The Kingdom of the Cults Handbook* takes that same, reliable information and pares it down into a more concise and simplified format. It's perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors. Covering everything from established religions like Islam and Buddhism to shifting trends in Mormonism, Scientology, and Wicca, this book will answer your questions and help you understand and communicate the key differences between true Christianity and other belief systems.

the satanic temple: Magic at the Crossroads Kate Freuler, 2025-08-05 Explore the Forbidden Path of the Ultimate Rebel When you separate the religious dogma from the symbolic nature of the devil, who really is he? Kate Freuler presents the infamous figure as a symbol, not a deity, and reveals how to use this radical philosophy to strengthen yourself and your witchcraft. The devil represents rebelling against all-powerful, oppressive systems of any kind. Through historical references, religious writings, and pop culture, this book explores the intersection between

witchcraft and the rebel archetype. Freuler dispels common myths, providing examples from a variety of texts and personal stories about her own connection to this misunderstood symbol. She also shares a variety of hands-on rituals you can use for self-empowerment. From the devil's relationship with the old gods to the shadow work associated with him, *Magic at the Crossroads* invites you to see this controversial symbol with new eyes.

the satanic temple: *The Gates of Hell* David Henderson, 2024-10-17 This book is mostly a collection of true stories about demonic beings frightening, torturing, and creating chaos among humans. The first reason I authored this book was because I simply enjoy this topic. Yes, I am a bit odd. I find topics that are strange, mysterious, and diabolical to be interesting. The second reason is because we are in a spiritual battle, and I find many Christians that I know seem to be almost oblivious to this fact. My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army. "Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms" Ephesians 6:12.

the satanic temple: *The Routledge History of the Devil in the Western Tradition* Richard Raiswell, Michelle D. Brock, David R. Winter, 2025-05-29 Covering a period of 2000 years, this book offers an interdisciplinary exploration of the devil's role in the Western tradition and draws from history, religion, art, literature, media studies, and anthropology to provide a multifaceted view of the devil over time. *The Routledge History of the Devil in the Western Tradition* examines topics such as the devil's scriptural origins, medieval development, and role in witch-hunting and possession cases, as well as the influence of the demonic on contemporary issues like terrorism, political polarisation, and digital culture. Collectively, this volume demonstrates that the demonological imagination has served as part of the glue holding Western societies together. While contexts, misfortunes, and anxieties have shifted according to time and place, many of the dynamics that underlie the devil's construction and detection have important continuities. This book, then, provides an innovative history of the anti-West—the West as seen through its anxieties, fears, and attempts to define and police itself and its boundaries. With contributions from 28 leading scholars in the field, this volume is of interest to all students and scholars of the devil in the Western world.

the satanic temple: *The Last Laugh* Will Daddario, 2025-09-04 This book investigates what the author terms "The last laugh," which reveals itself as a crucial element in the work of grief and acceptance amid social strife and political injustice. We hear and see the laugh emerge when engaged in situations that are not funny at first glance, at least not according to social conventions of propriety. The last laugh is seriously funny, insofar as it reveals the extent to which the laughing subject is thoroughly enmeshed in the unfunny of social antagonisms yet also capable of accepting its position as something to laugh at and through in order to endure the pains of social life. The last laugh emerges at the hiatus between action/autonomy and passivity/non-doing. Chances are high that you have laughed this laugh. This book is designed to help us all understand what it is and how it helps promote insight in the contemporary moment. Understanding the last laugh is necessary to enable full, open grieving of social injustice; treating the comic as a necessary component of open, or what the social sciences refer to as "adaptive," grieving. It thus provides a new perspective on grief scholarship, as well as a new perspective on comedy studies.

the satanic temple: *Satanism: A Social History* Massimo Introvigne, 2016-08-29 A 17th-century French haberdasher invented the Black Mass. An 18th-century English Cabinet Minister administered the Eucharist to a baboon. High-ranking Catholic authorities in the 19th century believed that Satan appeared in Masonic lodges in the shape of a crocodile and played the piano there. A well-known scientist from the 20th century established a cult of the Antichrist and exploded in a laboratory experiment. Three Italian girls in 2000 sacrificed a nun to the Devil. A Black Metal band honored Satan in Krakow, Poland, in 2004 by exhibiting on stage 120 decapitated sheep heads. Some of these stories, as absurd as they might sound, were real. Others, which might appear to be equally well reported, are false. But even false stories have generated real societal reactions.

For the first time, Massimo Introvigne proposes a general social history of Satanism and anti-Satanism, from the French Court of Louis XIV to the Satanic scares of the late 20th century, satanic themes in Black Metal music, the Church of Satan, and beyond.

the satanic temple: The Oxford Handbook of New Religious Movements James R. Lewis, Inga B. Tollefsen, 2016-04-12 The study of New Religious Movements (NRMs) is one of the fastest-growing areas of religious studies, and since the release of the first edition of *The Oxford Handbook of New Religious Movements* in 2003, the field has continued to expand and break new ground. In this all-new volume, James R. Lewis and Inga B. Tøllefsen bring together established and rising scholars to address an expanded range of topics, covering traditional religious studies topics such as scripture, charisma, and ritual, while also applying new theoretical approaches to NRM topics. Other chapters cover understudied topics in the field, such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs. The first part of this book examines NRMs from a social-scientific perspective, particularly that of sociology. In the second section, the primary factors that have put the study of NRMs on the map, controversy and conflict, are considered. The third section investigates common themes within the field of NRMs, while the fourth examines the approaches that religious studies researchers have taken to NRMs. As NRM Studies has grown, subfields such as Esotericism, New Age Studies, and neo-Pagan Studies have grown as distinct and individual areas of study, and the final section of the book investigates these emergent fields.

the satanic temple: Counterpoint-Point Jim Davis, 2024-07-03 Are Satan and his minions active around mankind through the world, the flesh, and the devil? Is the enmity between his seed and the seed of the woman real and on display? Can humans do anything to protect themselves from this real threat? Does God provide protection and answers for these threats? Join Jim Davis, in the style of C.S. Lewis and Frank Peretti, in exploring and answering all these questions with a year-long daily review of actual Yahoo News headlines of 2023 presenting this spiritual warfare examination with the face of the reality of evil and the promises and hope of a Savior.

the satanic temple: Reproductive Rites Sophie Saint Thomas, 2024-10-15 A provocative pop history that explores the witches—and witch hunts—in the untold story of abortion, from the days of Socrates through the Salem Witch Trials and the 1980s Satanic Panic, all the way to our fraught present. “Not only fascinating and engaging but, in our current post-Roe climate, necessary . . . with wit, humor, and verve that make it an unputdownable read for every feminist.” —Jennifer Wright, author of *Madame Restell: The Life, Death, and Resurrection of Old New York’s Most Fabulous, Fearless, and Infamous Abortionist* For millennia, across cultures and continents, both providers and recipients of reproductive healthcare and abortions have been persecuted as witches (whether they actually practiced the craft or not). In this dauntless reassessment of that history, journalist Sophie Saint Thomas follows the tangled threads of witches and reproductive rights through the ages. Along the way, she maintains an intersectional eye toward the communities most affected by reproductive oppression (including Native Americans, enslaved Black women, and trans people) and offers a scathing look at the hypocrisy of anti-choice crusaders (from eugenicists in the Church of Satan to an astrology-following Republican First Lady). With heart, humor, and deeply researched insights, *Reproductive Rites* brings new context to the urgency of our ongoing fight.

the satanic temple: Pagan America John Daniel Davidson, 2024-03-26 *Evil Is Coming - Worse than You Imagine*

the satanic temple: New Castle’s Kadunce Murders: Mystery and the Devil in Northwest Pennsylvania Dale Richard Perelman, 2019 Author Dale Richard Perelman tells the tragic story of the 1978 murders and the mystery surrounding them. In the summer of 1978, a mother and her four-year-old were stabbed to death in the quiet town of New Castle. Police suspected the husband, Lou Kadunce, but were unable to find either a weapon or a motive. Sitting in a Lawrence County jail in 1981, convicted serial killer Michael Atkinson accused Frank Costal - a carny, petty thief and Satanist - of having an affair with the Kadunce husband and participating in the murder. A series of intense trials ensued as Costal was convicted of the homicides and a jury found the husband not

guilty. Questions surrounding the case gripped the region and grabbed headlines in the Pittsburgh Press.

the satanic temple: Neo-Nazi Terrorism and Countercultural Fascism Spencer Sunshine, 2024-05-07 A new wave of aspiring neo-Nazi terrorists has arisen—including the infamous Atomwaffen Division. And they have a bible: James Mason's *Siege*, which praises terrorism, serial killers, and Charles Manson. *Neo-Nazi Terrorism and Countercultural Fascism*, based on years of archival work and interviews, documents for the first time the origins of *Siege*. First, it shows how Mason's vision arose from debates by 1970s neo-Nazis who splintered off the American Nazi Party/National Socialist White People's Party and spun off a terrorist faction. Second, it unveils how four 1980s countercultural figures—musicians Boyd Rice and Michael Moynihan, Feral House publisher Adam Parfrey, and Satanist Nikolas Schreck—discovered, promoted, and published Mason. *Neo-Nazi Terrorism and Countercultural Fascism* explores a previously overlooked period and unearths the hidden connections between a countercultural clique and violent neo-Nazis—which together have set the template for today's Neo-nazi terrorist underground. It is obligatory reading for those interested in contemporary terrorism, postwar countercultures, and the history of the U.S. Far Right and neo-Nazism.
