- Understanding the Winning Brief
- Core Principles of Bryan Garner's Approach
- Structuring an Effective Legal Brief
- Writing Style and Language Techniques
- Common Mistakes to Avoid
- Practical Applications and Benefits

Understanding the Winning Brief

The winning brief, as conceptualized by Bryan Garner, is more than just a legal document; it is a strategic communication tool designed to persuade judges and legal decision-makers. Garner advocates for briefs that are concise, logically structured, and rhetorically effective. The winning brief bryan garner promotes focuses on addressing the reader's needs by presenting arguments clearly and forcefully, avoiding unnecessary jargon or verbosity. Understanding the fundamental purpose of the brief—to win the case by winning the judge's confidence—is essential for appreciating Garner's methodology. This approach shifts the emphasis from merely presenting legal facts to crafting a compelling narrative supported by sound reasoning.

Definition and Purpose

A winning brief is a legal memorandum or argument that successfully convinces the court of the merits of one party's position. Bryan Garner defines it as a document that accomplishes this through clarity, precision, and persuasive power. Its primary purpose is to influence judicial decision-making by making arguments accessible and memorable.

Historical Context and Evolution

Legal writing has evolved over decades, often criticized for being overly complex and inaccessible.

Bryan Garner's contributions have modernized legal briefs by advocating plain language and effective rhetoric. The winning brief bryan garner reflects this evolution by promoting simplicity without sacrificing sophistication, ensuring that briefs remain authoritative yet readable.

Core Principles of Bryan Garner's Approach

Bryan Garner's approach to legal writing is grounded in several fundamental principles that underpin the winning brief bryan garner. These include clarity, brevity, organization, and persuasion. Garner emphasizes that every word in a brief must serve a purpose and that the overall structure should guide the reader smoothly through the argument. His principles challenge traditional legal writing norms by urging lawyers to write as if explaining complex issues to intelligent non-experts, thereby enhancing comprehension and impact.

Clarity and Precision

Clarity involves using straightforward language and avoiding ambiguous or convoluted expressions. Precision demands accurate word choice and attention to detail. Garner insists that clear writing reduces misunderstandings and strengthens arguments, which is fundamental to the winning brief bryan garner philosophy.

Brevity and Conciseness

Brevity is about eliminating unnecessary words and focusing on essential information. Garner's method encourages writers to condense their arguments without losing substance, making the brief more digestible and engaging for judges who often face heavy caseloads.

Logical Organization

Organizing a brief logically ensures that each argument builds upon the previous one in a coherent manner. Garner's approach includes using headings, topic sentences, and transitions to provide a roadmap for the reader, enhancing the overall persuasive effect of the brief.

Structuring an Effective Legal Brief

The structure of a legal brief is critical to its success, and Bryan Garner provides detailed guidance on crafting an effective layout. The winning brief bryan garner follows a tried-and-true format that balances legal rigor with reader-friendly presentation. This structure includes an introduction, statement of facts, argument section, and conclusion, each serving a specific role in advancing the case.

Introduction and Summary of Argument

The introduction should immediately engage the reader by outlining the key issues and presenting a succinct summary of the argument. Garner advises making this section compelling yet concise to set the tone for the rest of the brief.

Statement of Facts

This section presents the relevant facts in a clear and unbiased manner. The winning brief bryan garner underscores the importance of selecting facts strategically to support legal arguments without overwhelming the reader.

Argument Section

The core of the brief, the argument section, requires rigorous legal analysis supported by precedent and logical reasoning. Garner recommends dividing arguments into clear subpoints, each with its own heading, to enhance readability and focus.

Conclusion

The conclusion reinforces the desired outcome and briefly recaps the strongest points. It should leave the judge with a clear understanding of the relief sought and the rationale behind it.

Writing Style and Language Techniques

Language is a powerful tool in legal writing, and Bryan Garner's winning brief emphasizes style choices that enhance persuasiveness. His recommendations include using active voice, avoiding legalese, and employing rhetorical devices judiciously. These techniques contribute to a brief that is not only logical but also engaging.

Active Voice and Direct Language

Active voice creates clarity by specifying who is performing an action, thereby making sentences more dynamic and easier to follow. Garner insists that the winning brief bryan garner should minimize passive constructions to maintain reader engagement.

Avoidance of Legalese

Traditional legal jargon can obscure meaning. Garner promotes plain English alternatives that maintain professionalism while improving accessibility. This approach broadens the appeal of the brief and reduces the risk of misinterpretation.

Use of Persuasive Rhetoric

Rhetorical techniques such as parallelism, repetition, and analogies can strengthen arguments when used appropriately. The winning brief bryan garner incorporates these devices to emphasize key points and make the text more memorable.

Common Mistakes to Avoid

Even experienced attorneys can fall into traps that weaken legal briefs. Bryan Garner identifies frequent errors that undermine the effectiveness of briefs and offers guidance on how to avoid them. Awareness of these pitfalls is essential to producing a winning brief bryan garner style.

Overloading with Excessive Detail

Including too many facts or complex legal citations can overwhelm the reader. Garner advises focusing on the most relevant information and citing authority judiciously to preserve clarity and impact.

Poor Organization and Flow

Disorganized briefs confuse readers and dilute arguments. Ensuring logical progression and clear transitions is critical for maintaining coherence and persuasiveness.

Inconsistent Tone and Style

A brief should maintain a formal, respectful tone throughout. Garner warns against shifts in tone or overly emotional language, which can detract from the brief's professionalism and credibility.

Practical Applications and Benefits

The winning brief bryan garner approach has practical applications across various areas of legal practice. By adopting Garner's techniques, attorneys can improve their chances of success in appellate courts, trial courts, and administrative hearings. The benefits extend beyond winning cases to enhancing overall communication skills and professional reputation.

Improved Persuasion and Judge Engagement

Clear and well-organized briefs hold judges' attention and facilitate understanding, which is crucial for persuading judicial officers. Garner's methods help legal writers tailor their arguments to judicial preferences and cognitive processing.

Efficiency in Legal Writing

Applying the winning brief bryan garner principles streamlines the drafting process by emphasizing focused, purposeful writing. This efficiency saves time and resources while producing higher-quality documents.

Professional Development

Mastering the techniques outlined by Bryan Garner contributes to ongoing professional growth. Attorneys who write winning briefs demonstrate superior analytical and communication skills, which can lead to career advancement and client satisfaction.

1. Clarity and precision in language
2. Logical and coherent structure
3. Conciseness without sacrificing substance
4. Use of active voice and plain English

5. Avoidance of unnecessary legal jargon
6. Strategic presentation of facts and arguments

Frequently Asked Questions

What is 'The Winning Brief' by Bryan Garner about?

'The Winning Brief' by Bryan Garner is a guide that teaches lawyers how to write clear, persuasive, and effective legal briefs that can win cases.

Who is Bryan Garner, the author of 'The Winning Brief'?

Bryan Garner is a renowned legal writing expert, lexicographer, and author known for his books on legal writing and style, including 'The Winning Brief'.

What are the key principles taught in 'The Winning Brief'?

Key principles include clarity, brevity, persuasive structure, effective use of language, and tailoring arguments to the audience.

How does 'The Winning Brief' help lawyers improve their writing?

The book provides practical tips, examples, and techniques to make legal briefs more compelling and easier to understand, thereby increasing the chances of success in court.

Is 'The Winning Brief' suitable for law students or only practicing lawyers?

While primarily aimed at practicing lawyers, law students can also benefit from the book's insights into persuasive legal writing and brief preparation.

Does 'The Winning Brief' cover oral arguments or just written briefs?

The focus is mainly on written briefs, but some principles of persuasion and clarity can also be applied to oral arguments.

Are there updated editions of 'The Winning Brief' by Bryan Garner?

Yes, Bryan Garner has released updated editions that include modern examples and address evolving legal writing standards.

What makes 'The Winning Brief' different from other legal writing books?

Its practical approach, real-world examples, and focus on persuasion specifically tailored to legal briefs set it apart from more general legal writing texts.

Can 'The Winning Brief' help in writing briefs for appellate courts?

Yes, the book is particularly useful for appellate briefs where clear and persuasive writing is crucial to influencing judges.

Where can I purchase or access 'The Winning Brief' by Bryan Garner?

The book is available for purchase through major bookstores, online retailers like Amazon, and sometimes through law school libraries or legal resource centers.

Additional Resources

1. Winning Briefs: Persuasive Writing in Law and Business

This book by Bryan Garner offers comprehensive guidance on crafting compelling legal and business briefs. It emphasizes clarity, conciseness, and persuasive techniques to help attorneys and professionals effectively communicate their arguments. Garner provides practical examples and tips to improve writing style and structure, making complex ideas accessible to judges and clients alike.

2. Legal Writing in Plain English

Also authored by Bryan Garner, this book focuses on simplifying legal writing to enhance readability and comprehension. It provides practical exercises and clear advice on avoiding jargon and unnecessary complexity. The goal is to help lawyers write with precision and clarity, making their documents more persuasive and accessible to a broad audience.

3. The Winning Brief Workbook

This workbook complements Bryan Garner's *Winning Briefs* by offering exercises and real-world examples to practice persuasive writing skills. It guides readers through the process of drafting, revising, and polishing briefs to maximize their impact. The interactive format helps reinforce key concepts and techniques outlined in the main text.

4. Garner's Modern English Usage

While not exclusively about briefs, this authoritative guide by Bryan Garner is essential for anyone aiming to improve their writing. It covers grammar, style, and usage with a focus on clarity and precision, which are critical for effective legal writing. The book serves as a valuable reference to ensure professionalism and correctness in all written communication.

5. Making Your Case: The Art of Persuading Judges

In this book, Bryan Garner explores the broader art of legal advocacy, including oral arguments and written submissions. It offers strategies to persuade judges by understanding their perspectives and tailoring arguments accordingly. The insights provided are invaluable for lawyers seeking to win

cases through both written and spoken word.

6. *Legal Writing Style*

Bryan Garner's *Legal Writing Style* delves into the nuances of tone, rhythm, and structure in legal documents. It teaches how to write with elegance and authority without sacrificing clarity. The book is ideal for legal professionals looking to refine their prose and make their briefs more compelling and memorable.

7. *Point Made: How to Write Like the Nation's Top Advocates*

Co-authored by Ross Guberman and featuring insights from Bryan Garner, this book analyzes exemplary legal writing from leading advocates. It breaks down what makes these writings effective and offers practical advice for emulating their success. Readers gain a deeper understanding of persuasive techniques and stylistic choices in winning briefs.

8. *Rhetoric for Legal Writers*

This book applies classical rhetorical principles to the craft of legal writing, with contributions from Bryan Garner's scholarship. It teaches how to structure arguments persuasively using ethos, pathos, and logos. Legal writers learn to engage their audience emotionally and logically to strengthen their case presentations.

9. *The Elements of Legal Style*

Bryan Garner's *The Elements of Legal Style* adapts Strunk and White's classic style guide for the legal profession. It offers concise rules and recommendations tailored to legal writing's unique demands. This book is an essential tool for lawyers and law students striving for elegance, precision, and effectiveness in their briefs and other documents.

the winning brief bryan garner: The Winning Brief: 100 Tips for Persuasive Briefing in Trial and Appellate Courts Bryan A. Garner, 2004-02-13 Good legal writing wins court cases. In its first edition, *The Winning Brief* proved that the key to writing well is understanding the judicial readership. Now, in a revised and updated version of this modern classic, Bryan A. Garner explains the art of effective writing in 100 concise, practical, and easy-to-use sections. Covering everything from the rules for planning and organizing a brief to openers that can capture a judge's attention from the first few words, these tips add up to the most compelling, orderly, and visually appealing brief that an advocate can present. In Garner's view, good writing is good thinking put to paper. Never write a sentence that you couldn't easily speak, he warns-and demonstrates how to do just that. Beginning each tip with a set of quotable quotes from experts, he then gives masterly advice on building sound paragraphs, drafting crisp sentences, choosing the best words (Strike pursuant to from your vocabulary.), quoting authority, citing sources, and designing a document that looks as impressive as it reads. Throughout, he shows how to edit for maximal impact, using vivid before-and-after examples that apply the basics of rhetoric to persuasive writing. Filled with

examples of good and bad writing from actual briefs filed in courts of all types, *The Winning Brief* also covers the new appellate rules for preparing federal briefs. Constantly collecting material from his seminars and polling judges for their preferences, the second edition delivers the same solid guidelines with even more supporting evidence. Including for the first time sections on the ever-changing rules of acceptable legal writing, Garner's new edition keeps even the most seasoned lawyers on their toes and writing briefs that win cases. An invaluable resource for attorneys, law clerks, judges, paralegals, law students and their teachers, *The Winning Brief* has the qualities that make all of Garner's books so popular: authority, accessibility, and page after page of techniques that work. If you're writing to win a case, this book shouldn't merely be on your shelf—it should be open on your desk.

the winning brief bryan garner: *Judicial Writing* Chinua Asuzu, 2016-05-04 To validate their institutional continuance as a branch of government, writes Chinua Asuzu, judges must make sound decisions. They must also articulate and express those decisions efficiently and comprehensibly. This book shows how. This book will help judges, arbitrators, and other decision-writers master the art and science of judicial writing. A most welcome guide, *Judicial Writing: A Benchmark for the Bench* sets a high, yet attainable, standard of excellence for writing judicial decisions. It will no doubt become the reference point for judging judges and their judgments. Chinua Asuzu is that uncommon lawyer who wrote *The Uncommon Law of Learned Writing*. His other works include *Anatomy of a Brief* and *Fair Hearing in Nigeria*. A versatile arbitrator, Asuzu served as an administrative-law judge at the Tax Appeal Tribunal in Nigeria from 2010 to 2016. He is now the Senior Partner of Assizes Lawfirm, a team of tax lawyers.

the winning brief bryan garner: *Brief-Writing Master Plan* Chinua Asuzu, 2022-08-23 As much a sword as a shield, *Brief-Writing Master Plan* offers an unparalleled and unprecedented curriculum of written advocacy. It's a sparkling, alchemical blend of doctrine, ethics, and skills. It recruits linguistics, logic, psychology, rhetoric, and semantics into the arsenal of learned advocacy. It contains the rhetorical wisdom of ages, pages, and sages. An advocate files a brief to persuade the judge to decide the lawsuit in favor of the advocate's client. The keyword is persuade. Too often, advocates forget this and write to please themselves. They address themselves instead of the court. They write in chest-thumping prose and style. Advocates will do well to keep in mind that in advocacy, all that counts is persuading the judiciary. Hence, *Brief-Writing Master Plan* responds to the judicial wish list for advocates' writing style and substance. This book is a transformative resource with the potential to accelerate court proceedings by easing judicial burdens and caseloads. A sober reflection on the advocate's duty to the court, *Brief-Writing Master Plan* encourages professional candor, decency, and honesty. Writing as taught in this book will surely propel you to the top 1% of the global legal profession and secure your legacy.

the winning brief bryan garner: *Uncommon Law of Learned Writing 2.0* Chinua Asuzu, 2023-09-10 As lawyers, we must not, in hot pursuit of common law, outrun common sense. The dread of that eventuality prompted this book. *Uncommon Law of Learned Writing 2.0* promotes common sense in legal language. Plain language, which is commonsensical, broadens access to legal documents, thus democratizing the law. If democracy is government of the people, by the people, and for the people, law is the language in which government interacts with the people—it's the language of democracy. The people whose government speaks through law must understand what is said. No democratic society should brook legalese—a dense, verbose dialect known only to lawyers. What then should society do to redress the lawyer-induced obscurity? A Shakespearean character had an alarming proposal: "The first thing we do, let's kill all the lawyers." Apparently, that proposal was not enthusiastically endorsed, which explains why we're still here. A milder remedy—enrolling lawyers in language classes—has been mooted, which explains why this book is in your hands. *Uncommon Law of Learned Writing 2.0* motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries. This book is as sweeping and authoritative a treatment of its subject as you can find anywhere.

the winning brief bryan garner: *Motion Practice* David F. Herr, Roger S. Haydock, Jeffrey

W. Stempel, 2017-06-03 This comprehensive guide not only analyzes every applicable rule of civil procedure, but also gives you practice-proven techniques for evaluating what motions will work most effectively in each of your cases. From early pretrial motions dealing with complaints and jurisdiction to appellate motion practice for both victor and vanquished, *Motion Practice*, Eighth Edition shows you both what is permissible and what is advisable in such aspects of motion practice as:

the winning brief bryan garner: *Essentials of Lawyering Skills in Africa* Festus Emiri, Ernest Owusu-Dapaa, 2020-07-01 In twenty-two chapters, divided into six parts for convenience, the authors not only lay bare the art of lawyering but also provide invaluable nuggets of perfecting and excelling as a solicitor and advocate. There is little doubt that the contents of this book dramatically make a lawyer, especially the lawyer in Africa, to be more effective, more skilful and a proper lawyer useful to the client and society.

the winning brief bryan garner: *The Winning Brief* Bryan A. Garner, 1999 Does a good writing style help persuade judges? Bryan Garner makes a convincing case that it does. And he should know: in recent years, he has worked with judges all over the country to help them improve their writing of judicial opinions. He has polled judges both formally and informally to learn their preferences. And with his deep issue technique, he has even helped shape their preferences. This book is a compendium of Garner's 100 most important tips on brief-writing. Some are major points and some are minor ones. But each one matters because collectively they add up to the most compelling, orderly, and visually appealing brief that an advocate can present. Each tip begins with a set of quotable quotes - some of the most insightful comments that experts have ever made on persuasive writing. Then, Garner elaborates on the tip, usually with before-and-after examples. The book also showcases several full-length model briefs.

the winning brief bryan garner: *Legal Food for Thought* Daniel Kornstein, 2023-10-31 *Legal Food for Thought* is both an entertaining and provocative collection of non-technical essays written by an experienced, literate lawyer with an eye for unusual topics and a gift for language. Combining original insights with probing commentary, these sparkling essays light up the page as they illuminate a wide range of subjects more or less in some way, often unexpected, linked to law. As the title foreshadows, the book is creatively organized in the form of a meal, with its delicacies spread over a menu covering a drink, appetizers, entrees, sides, and dessert. Among other surprises, the author reminds us of poet John Milton's appeal for freedom to read what we want, describes two comic book lawyer superheroes, suggests ways to improve our democracy, finds new legal themes in the lives of various well-known creative artists, and even tells us which are his favorite books about law and why. It is a tour de force sure to fascinate any thinking person, lawyer or not

the winning brief bryan garner: *The Oxford Companion to the Supreme Court of the United States* Kermit L. Hall, 2005-05-19 A superb one-volume resource on the United States Supreme Court, this second edition includes new entries on key cases and fully updated treatment of hot-button issues of constitutional law, such as abortion, freedom of religion, school desegregation, freedom of speech, voting rights, military tribunals, and the rights of the accused. These developments make the second edition of this accessible and authoritative guide essential for judges, lawyers, academics, journalists, and anyone interested in the impact of the Court's decisions on American society.

the winning brief bryan garner: *The Oxford Companion to the Supreme Court of the United States* ,

the winning brief bryan garner: *Legal Writing and the Lone Ranger* Daniel J. Kornstein, 2020-09-30 This book will improve the writing of anyone connected to the legal profession. Whether you are a law student, a young or experienced practitioner, or even a judge, this book will help you write better. It is filled with tips and insights that work, and is written clearly and entertainingly.

the winning brief bryan garner: *The Common Flaw* Thomas G. Moukawsher, 2023-09-25 The American lawsuit is riddled with needless complexity. This book proposes fifty changes-that decide cases promptly-more on the facts than the law-more for the parties than the lawyers-more for the

consequences to the people and the public-and in words we can all understand--

the winning brief bryan garner: Elegant Legal Writing Ryan McCarl, 2024-02-06 Elegant Legal Writing provides short, practical tips to help attorneys make their writing as clear and readable as possible, reducing the reader's cognitive burden so they can focus on your argument--

the winning brief bryan garner: American Judicial Process Pamela C. Corley, Artemus Ward, Wendy L. Martinek, 2015-09-25 This text is a general introduction to American judicial process. The authors cover the major institutions, actors, and processes that comprise the U.S. legal system, viewed from a political science perspective. Grounding their presentation in empirical social science terms, the authors identify popular myths about the structure and processes of American law and courts and then contrast those myths with what really takes place. Three unique elements of this myth versus reality framework are incorporated into each of the topical chapters: 1) Myth versus Reality boxes that lay out the topics each chapter covers, using the myths about each topic contrasted with the corresponding realities. 2) Pop Culture boxes that provide students with popular examples from film, television, and music that tie-in to chapter topics and engage student interest. 3) How Do We Know? boxes that discuss the methods of social scientific inquiry and debunk common myths about the judiciary and legal system. Unlike other textbooks, American Judicial Process emphasizes how pop culture portrays—and often distorts—the judicial process and how social science research is brought to bear to provide an accurate picture of law and courts. In addition, a rich companion website will include PowerPoint lectures, suggested topics for papers and projects, a test bank of objective questions for use by instructors, and downloadable artwork from the book. Students will have access to annotated web links and videos, flash cards of key terms, and a glossary.

the winning brief bryan garner: Department of Justice Manual Wolters Kluwer, 2012-03-23 The new Department of Justice Manual, Third Edition takes you inside all the policies and directives outlined in the latest U.S. Attorneys' Manual used universally by the DOJ in civil and criminal prosecutions. Along with comprehensive coverage of all the information relied on by today's DOJ attorneys, this guide offers you other valuable DOJ publications in the form of Annotations. You'll find the Asset Forfeiture Manual, the Freedom of Information Act Case List, and Merger Guidelines. And it's all incorporated in a comprehensive six-volume reference. You'll discover how to: Request immunity for clients using actual terminology from factors that DOJ attorneys must consider Phrase a FOIA request so as to avoid coming within an exempted category of information Draft discovery requests using terminology to avoid triggering an automatic denial by the DOJ Counsel clients on DOJ investigative tactics and their significance using actual DOJ memoranda; Develop trial strategies that exploit common problems with certain methods of proof and kinds of evidence offered by the government Propose settlements or plea-bargain agreements within the authority of the DOJ attorney handling the case. This new Third Edition of Department of Justice Manual has been expanded to eight volumes and the materials have been completely revised to accommodate newly added materials including: the text of the Code of Federal Regulations: Title 28and-Judicial Administration, as relevant to the enforcement of the Federal Sentencing Guidelines by the Department of Justice; The Manual for Complex Litigation; and The United States Sentencing Commission Guidelines Manual. The new edition also includes The National Drug Threat Assessment for Fiscal Year 2011 and the updated version of the Prosecuting Computer Crimes Manual. In an effort to provide you with the best resource possible, as part of the Third Edition, the Commentaries in each volume have been renumbered to refer to the relevant section in the United States Attorneyand's Manual for more efficient cross referencing between the Manual and the Commentaries.

the winning brief bryan garner: Divergent Paths Richard A. Posner, 2016-01-04 Judges and legal scholars talk past one another, if they have any conversation at all. Academics criticize judicial decisions in theoretical terms, which leads many judges to dismiss academic discourse as divorced from reality. Richard Posner reflects on the causes and consequences of this widening gap and what can be done to close it.

the winning brief bryan garner: Learned Writing Chinua Asuzu, 2019-05-22 As lawyers, we must not, in hot pursuit of common law, outrun common sense. The dread of that eventuality prompted this book. Learned Writing promotes common sense in legal language. Plain language, which is commonsensical, broadens access to legal documents, thus democratizing the law. If democracy is government of the people, by the people, and for the people, law is the language in which government interacts with the people—it is the language of democracy. The people whose government speaks through law must understand what is said. No democratic society should brook legalese, a dense, verbose dialect known only to lawyers. What then should society do to redress the lawyer-induced obscurity? A Shakespearean character had an alarming proposal: “The first thing we do, let’s kill all the lawyers.” Apparently, that proposal was not enthusiastically endorsed, which explains why we’re still here. A milder remedy—enrolling lawyers in language classes—has been muted, which explains why this book is in your hands. Learned Writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries. This book is as sweeping a treatment of its subject as you can find anywhere.

the winning brief bryan garner: The Winning Oral Argument Bryan A. Garner, 2009 In this eminently browsable book, Bryan A. Garner has collected and arranged the most important, interesting, and penetrating statements from judges and lawyers about how to conduct an oral argument. Each didactic principle is stated, briefly explained, and then illustrated with quotations from a dazzling array of sources, ancient and modern. Novices and veterans alike will find helpful advice in these pages, which systematically explain the subtleties of the art more lucidly than any previous work has done.

the winning brief bryan garner: Legal Writing for Real Lawyers Russell T. Bowlan, J.D., M.A., 2013-06 This is not another tedious rulebook littered with unfounded gimmicks contrived at a faculty mixer. Here you will find relevant advice from an attorney who has been writing trial and appellate briefs on the frontlines for two decades. Amid the new material in this expanded edition, Mr. Bowlan subdues the oft dreaded summary judgment response. And the gloves come off when he addresses legal ethics in the Epilogue - Welcome to the Dark Side - a must-read for every law student who intends to become a practicing lawyer. What do Trolls, Curmudgeons and Yapping Chihuahuas have to do with legal writing? Open the cover and find out.

the winning brief bryan garner: Point Made Ross Guberman, 2014-03-06 In Point Made, Ross Guberman uses the work of great advocates as the basis of a valuable, step-by-step brief-writing and motion-writing strategy for practitioners. The author takes an empirical approach, drawing heavily on the writings of the nation's 50 most influential lawyers, including Barack Obama, John Roberts, Elena Kagan, Ted Olson, and David Boies. Their strategies, demystified and broken down into specific, learnable techniques, become a detailed writing guide full of practical models.
