Rather than basic sets of questions, The Book Lover's Quiz Book mirrors the format of Gary's live quizzes, at the Betsey Trotwood in London and elsewhere. So, there are lots of multiple-choice questions, some amusing answers, clever red herrings, little-known facts about authors and some of the much-loved Say What You See picture round. Also, there are fixed and variable rounds - fixed ones include 'Blankety Books' (one word missing from the title - always with a theme), 'Literary Links and lists' (what connects/next in the list etc.) and '2 of a Kind' (name the character and the author that share the same initials). The changeable rounds keep the quizzes fresh and include 'What the Dickens?' (real or made-up Dickens names), 'RomeNo or JuliYess' (real or made-up Shakespearian insults) and 'Book Bingo!' (identify the correct number). There are also more standard rounds such as 'First Lines', 'Working Titles' and 'Banned Books'. The aim of all Gary's quizzes, and this book, is that people should have fun and be able to guess (if they don't know) as much as possible.
