Choosing Your Class

When selecting a class, consider your preferred playstyle. For instance, if you enjoy melee combat, the Knight class may be suitable due to its high strength and defense. Alternatively, if you prefer spellcasting, Wizards can unleash powerful magic but may require protection from physical attacks. Each class can also branch into specialized professions, providing further opportunities for customization.

Stat Allocation

Upon selecting a class, players will allocate points to various attributes such as Might, Magic, Endurance, and Personality. The distribution of these points should align with your class choice:

- **Might:** Increases physical attack power, ideal for melee classes.
- **Magic:** Enhances spellcasting abilities, crucial for Wizards and Clerics.
- **Endurance:** Affects health and stamina, important for all classes.

- **Personality:** Influences negotiation and experience gain, best for Thieves and Clerics.
