Power Level and Gear

It is advisable to approach the Shattered Throne with a power level of at least 570. Players above this threshold will find the encounters more manageable. Equip your Guardian with high-level weapons and armor, focusing on mods that enhance your damage output and survivability.

Team Composition

A well-rounded team typically consists of the following roles:

- **Tank:** A Guardian who can absorb damage and control enemy aggro.
- **Damage Dealer:** A high-damage output class, such as a Hunter or Warlock, focusing on maximizing DPS.
- **Support:** A class that can provide healing, buffs, or crowd control, like a Titan with the Ward of Dawn or a Warlock with Healing Rift.

Ensuring that you have these roles filled can make encounters smoother and more strategic.

Dungeon Overview

The Shattered Throne is a sprawling dungeon filled with various enemies, puzzles, and mechanics. It is essential to familiarize yourself with the layout and objectives to navigate it effectively.

Starting the Dungeon

To begin the Shattered Throne, players must travel to the Dreaming City and enter the dungeon portal located in the Divalian Mists. Once inside, players will be greeted by a series of encounters that will test their skills.

Layout and Checkpoints

The dungeon is divided into several sections, each containing its own challenges. There are multiple checkpoints throughout the dungeon, allowing you to respawn at specific locations if your fireteam wipes. Understanding the layout can help in planning your route and identifying where to regroup after encounters.

Encounter Strategies

Each section of the Shattered Throne features unique encounters that require specific strategies to overcome. Understanding these encounters is key to progressing through the dungeon.

Standard Enemy Encounters

Throughout the dungeon, players will face various enemies, including Taken and Scorn. Here are some strategies to handle these encounters effectively:

- **Focus Fire:** Coordinate with your team to take down high-priority targets quickly.

Boss Fights

The Shattered Throne culminates in several challenging boss fights that require precise coordination and strategy.

First Boss: The Shuro Chi, the Corrupted

The first major boss encounter is against Shuro Chi, the Corrupted. This fight involves multiple phases and requires players to manage adds while dealing damage to the boss.

Strategies for this encounter include:

- **Manage Adds:** Ensure that your team is focusing on the adds to prevent being overwhelmed.
- **Communication:** Call out when to switch damage phases and when to use supers or heavy weapons.

Final Boss: The Taken Blight

The final boss, the Taken Blight, presents a complex challenge. Players must navigate various mechanics while maintaining damage output.

Key strategies for this encounter include:

- **Positioning:** Stay mobile to avoid damage from the boss's abilities.
- **Teamwork:** Coordinate damage phases and healers effectively to maintain team health.

Loot and Rewards

Completing the Shattered Throne not only provides a sense of achievement but also offers valuable loot. Players can earn unique weapons, armor, and collectibles.

Unique Weapons

The Shattered Throne features several exclusive weapons, including the Lumina and the Trust hand cannon. These weapons come with unique perks that can enhance your Guardian's capabilities.

This game is a completely separate story from the first 2, with different cast, different story, and even different art style. After many, MANY RPGs that I've played during 2020, playing Bravely Default 2 was a hard change, but not a bad one. Bravely Default II is a VERY RPG game, and by that I mean there are save points in dungeons, there are tents to heal up, tons of weapons and jobs, etc. This is a game where you cannot save anywhere, where save points won't heal your HP and MP, and when you need to grind to get stronger.
