Welcome to our Ys 9: Monstrum Nox walkthrough guide. With this guide, you can expect a full walkthrough from start to finish, locations of all the Azure Petals, all Graffiti locations, every single chest, all the sidequests, and much more! As an incredibly big fan of Falcom, I have a lot of love for both of their biggest series: Ys and Legend of Heroes. This game comes a couple years after the release of Ys VIII: Lacrimosa of Dana (which is my personal favorite) so playing another Ys game so soon is very exciting. I'm not going to lie, I didn't know where this game was going to go with Adol being Adol, but not being Adol (yes, very confusing), and him being in prison, but it's the same Ys experience you've come to know and love. The game has a much darker tone than previous games in the series, but it doesn't lower the charm of its world and characters. So follow me, as we play as Adol... and Crimson King and solve the mysteries plaguing Balduq, the Prison City.

ys oath of felghana walkthrough: Assassin's Creed Origins Esther Perry, 2020-08-05 There's no such thing as a perfect video game. It's impossible to make something every single person will love. If you need evidence, Assassin's Creed Origins - the latest in Ubisoft's 10-year-old historically minded sci-fantasy saga - is strong proof. By retooling the series' stealth centric open-world action mechanics to accommodate more combat and an emphasis on simple but pervasive loot, developer Ubisoft has worn the series' mechanical signature too thin. The new mechanics don't as work as well as they should, and the stealth gameplay lacks refinement, since the game wasn't designed with those mechanics in mind. Do you want to be a good Assassin's Creed Origins player? We have exactly what you are looking for! We will walk you through the game, provide professional strategies and tips, as well as all the secrets in the game.
