best bible study guides for women: *Ten Women of the Bible Study Guide* Max Lucado, Jenna Lucado Bishop, 2016-05-03 Do you ever feel like a second-class citizen in this world? Do you wonder how God could possibly use you to change lives? For women in Bible times, these weren't even questions they thought about. Being overlooked, marginalized, having your contributions discounted

because you're a woman...it's just the way things were. In this 10-lesson workbook, Max Lucado tells some of his favorite accounts of women in Scripture and the remarkable way God broke down cultural barriers to use them in the unfolding of His story. You will discover... Sarah, the woman whom God promised would give birth to a nation, but who tried to rush things when God's promises didn't seem to be coming to pass. Rahab, a prostitute in the Canaanite city of Jericho, who would save herself and her family through her faith in the one true God of the Israelites. Abigail, a woman forced to play peacemaker by the barbaric behavior of her husband. Esther, a young queen whom God placed in the Persian court for "such a time as this" to prevent the genocide of the Jewish people. Mary, the young virgin pledged to Joseph, whom God would choose to give birth to Jesus, the promised Messiah who would save the world. The Samaritan Woman, who would meet this Messiah at a well one day. His words would forever after change her life. The Canaanite Woman, who made God smile with her wit and faith, and who received from Jesus an answer to her prayer. Mary of Bethany, a friend of Jesus who witnessed the resurrection of her brother, Lazarus, and then anointed Christ in anticipation of his death and resurrection. Mary Magdalene, who followed Jesus despite the injustice of a world that judged her for her past and said she would always be considered a failure. Sapphira, a woman in the early church who, along with her husband, made the unfortunate (and deadly) decision to lie to the Holy Spirit. These stories show us there is a God who sees us where we are and loves us for who we are. He is the one who hovers over all the pages of the Bible, shaping lives, rescuing hearts, healing sicknesses, raising what was dead to life, and passing out high callings to those who choose to follow him and have faith in him. Each lesson includes: 5 Daily in-depth Bible studies to help you explore the stories in Scripture Daily points to remember to help you summarize the key points Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's word in your heart Additional notes to help you lead a group through the study Ten Women of the Bible is a standalone workbook, ideal for both individual use and for study in a small-group setting.

best bible study guides for women: The Hard Good Bible Study Guide plus Streaming Video Lisa Whittle, 2021-09-14 Lisa Whittle will inspire you to see the hardships in your own life as opportunities to discover your purpose in God's perfect plan. In this world you will have trouble, Jesus says to his disciples in John's Gospel. It's not an if statement, but a when statement. Hard times come in this life, and some of us may even wonder how God's plan could work for our good...But Jesus immediately follows with these words: But take heart! I have overcome the world. The Hard Good Study Guide is for anyone who wants to take heart, who wants Jesus to be their present reality as much as their future hope. This study guide has everything you need for a full Bible study experience, including: The study guide itself—with discussion and reflection questions, Bible reading, video notes, and a leader's guide. An individual access code to stream all six video sessions online (you don't need to buy a DVD!). This six-session video Bible study (video streaming included) is focused on two kings: David and Saul. Their lives went down very different roads, and one of their greatest differences was in how they handled hardship and how they trusted God with their lives. As you take the hard good road, you'll learn to: Accept things you wish were different. Apologize and forgive first. Give up the now for the best. Cheer for someone who has what you want. Open your heart, even when it's been hurt. At our very core is the desire to be God's people—faithful, fulfilling the potential God created in us. To reach that point, sometimes we must endure hard things, things God has designed for our ultimate good, to shape us into the people he wants us to be. When we choose to accept the hard good, in faith we discover our life's purpose. Streaming video access code included. Access code subject to expiration after 12/31/2027. Code may be redeemed only by the recipient of this package. Code may not be transferred or sold separately from this package. Internet connection required.
