lent study guides: *He Chose the Nails Bible Study Guide* Max Lucado, 2016-09-13 Every gift from God reveals his love, but no gift reveals his love more than the gifts of the cross. These gifts came not wrapped in paper but in passion. They were not placed around a tree but around a cross. They were not covered with ribbons but sprinkled with the blood that Christ shed on our behalf. In this five-session video Bible study, Max Lucado explores the many gifts that Christ provided to us at his crucifixion. These include not only the gift of the cross, but also the gift of the thorns that pierced his brow. The nails that tore his flesh. The seamless robe that he removed for us. The empty tomb where he forever defeated sin and death. The hill of the cross is rich with the gifts of God's grace. These were gifts he didn't have to give. The only required act for our salvation was the shedding of blood, yet God did so much more. So, as we unwrap these gifts, we need to pause and listen for his voice. As we do, perhaps we will hear him whisper, "I did it just for you." The He Chose the Nails Study Guide includes video discussion questions, Bible exploration, personal study and reflection materials for in-between sessions, and an additional session for churches and small groups using this study as part of Lent. Session include: He Chose to Be One of Us He Chose to Forgive Us He Chose to Invite Us into His Presence He Chose to Love Us Forever He Chose to Give Us Victory Designed for use with the He Chose the Nails DVD 9780310687849 (sold separately). what he most wants them (the world) to hear and will experience an intimate and divine awe only available to those who are willing to draw near his cross.
