Here is what men who have been in the study say about the impact it has had on their lives: This process has allowed me to be emotionally vulnerable and still maintain self-control, to trust other men, to be honest with myself and before God. I've had, and seen other men have, large positive changes in their self-image, which translates directly into stronger relationships here on earth and with Heaven. The answers I prayed for were right before me and I needed to see and accept them to become a better Christian, father, and husband. My relationships with God, my brothers in Christ, wife, and kids are stronger as a result of the work I brought to men's group and implemented in my daily life. I wish I had access to this information when I was younger. Mike, 39
