It's time to begin the adventure of learning Spanish through simple and quick lessons you can listen to in your car! ¿Estas pronto? Here's what you'll learn from the Spanish For Beginners book: Chapter 1: Learning Strategies Chapter 2: The Fundamentals of Spanish Chapter 3: Numbers, Colors, Time, and Date Chapter 4: Nouns and Articles Chapter 5: Pronouns Chapter 6: Verbs Chapter 7: Adjectives Chapter 8: Prepositions, Adverbs, and Conjunctions Chapter 9: Forming sentences Chapter 10: The Subjunctive & Imperative Mood Chapter 11: Making comparisons Chapter 12: Conversational phrases And much more! Here's what you'll learn from the Spanish Short Stories: The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. In this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. Here's what you'll learn from the Spanish Language Lessons book: Traveling in Spanish countries can be hard. Believe me, I'm a frequent traveler, and I've been all around the world. I've been in Europe, Asia, and South America, and I have to say that of all the places that I've been, I've never found more caring and lovely people than in Spanish countries. Maybe it is their past, maybe is their language, but they are always available to give you a hand, talk to you, have fun, grab a drink, and generally have a good time. But the language barrier might be hard. You might find yourself trying to say something, and the interlocutor understanding another thing entirely. It might be quite frustrating, and then you end up using your fingers or pointing to what you want, and to be honest, it's quite ridiculous and a bit childish. That's why I'm writing this book, to help you on your travels, so if you want to take a trip to a Spanish Country, you won't find it hard to express yourself. And I will not just explain you some phrases in Spanish to ease your life in your trip, I will also teach the differences between countries, and how to travel from one place to another. So, if you were planning a trip, or maybe you are already in one and found yourself in a problem, this is the book for you. I hope it helps you with anything that might arise on your trip. get your copy today
