discipleship workbooks: The Discipleship and Mentoring Workbook Paul Leavenworth, 2018-07-16 The Discipleship and Mentoring Workbook is designed to help leaders establish a biblical understanding of discipleship and disciple-making (spiritual mentoring) for life and leadership. This workbook is part of The Leadership Development Series of workbooks designed to facilitate transformational learning for establishing a foundation that will stand the test of time and help us to meet the challenges of learning how to be lovers in a dangerous time (musician Bruce Cockburn). Jesus stated that, God is spirit, and his worshippers [Disciples and Mentors] must worship in Spirit [Spirit-Empowered] and in truth [Bible-Centered] John 4:24, NIV. From this passage I developed The Leadership Development Series that includes this workbook plus The Bible-Centered Leader Workbook; The Spirit-Empowered Leader Workbook; and The Discipleship and Leadership Workbook (that is a best of or introductory overview of the content in the other three workbooks in this series for younger emerging leaders). The Discipleship and Mentoring Workbook is designed as a stand-alone and/or companion to other workbooks in this series. Each of these workbooks is formatted using the IDEA approach to transformational learning. The goal of the IDEA approach is to facilitate the gracious work of God through his word and spirit to transform us into his likeness with ever increasing glory... (II Corinthians 3:18, NIV) Each chapter will begin with an Introduction (I) followed by Discovery (D), Explanation (E), and Application (A) sections. Each

chapter can be worked through as a unit or in sequence as a whole with a variety of process options including individual, small groups, and various course applications. Take your time and prayerfully and carefully read, study, discuss, apply, and evaluate your progress. Remember that becoming a disciple and mentor is not an objective as much as it is a process or lifestyle. We do not obtain these as much as we become them. Over the years, we will be transformed by God (discipleship) in order help others (spiritual mentoring) in their transformation process.

discipleship workbooks: *Introduction to Discipleship* Paul Leavenworth, 2014-08-12 Welcome to *Introduction to Discipleship: Responding to the Call*. This workbook is the first of a series of three workbooks designed for Christians seeking to go deeper and high school students who want to learn more about what the Bible has to say about discipleship, Christian leadership, and living a meaningful and impacting life. The workbooks focus on three aspects of maturing as a Christian leader: * *Introduction to Discipleship: Responding to the Call - CHARACTER* * *Introduction to Leadership: Growing in the Call - COMPETENCIES* * *Introduction to Life Planning: Achieving the Call - CALLING* Each of these workbooks is a stand-alone study but they are also designed to complement each other. This first workbook is designed to help you gain a Biblical understanding of the 5 C's of discipleship: call, cost, character, commandment, and commission. A lifestyle of discipleship involves establishing, maintaining, and enlarging a solid spiritual formation foundation of purity, integrity, and maturity (I Timothy 1: 5) for a faithful, fulfilling, and fruitful life. *Introduction to Discipleship: Responding to the Call* is formatted using the IDEA approach of discovery learning for life transformation. Each chapter begins with an Introduction (I), followed by Discovery (D), Explanation (E), and Application (A) sections. The goal of the IDEA approach is to facilitate the gracious work of God through his Word and Spirit to help transform you into his likeness with ever increasing glory... (II Corinthians 3: 18, NIV).

discipleship workbooks: *New Believers Bible Discipleship Workbook* John W. Radke, Ph.D., 2017-03-29 This book is designed to help a new Christian learn the basics for living a successful daily Christian life. discipleship workbooks: *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity* Dr. Todd M. Fink, 2017-04-17 Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature! How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were "Fishers of Men," 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that! Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light

14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical, "how-to" help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a "how-to" book. It deals with the barriers that are hindering discipleship, and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant," when you arrive in heaven? If so, this book is for you.

discipleship workbooks: Discipleship Workbook for a Strong Foundation Craig Caster, 2015-05-05 The greatest gift we receive through our salvation is the ability to have fellowship with God: to have an intimate, daily relationship with Him. As we abide in Him, God gives us the ability to obey Him and do His will (John 15:4-5). Designed for both small group studies and one-on-one discipleship training, this workbook will help you develop a habit for doing a daily devotional. This is an important time you have set aside to hear from God through His Word (the Bible), and to teach you about your faith-the important doctrines and beliefs of Christianity, and God's wonderful promises to us as His children.
