paul washer workbooks: *The Essential Means of Grace* Paul Washer, 2020-08-20 Too often, Christians wait for some extraordinary move of the Spirit to correct all their spiritual ills. Although such a revival is possible, it is not the way God ordinarily grows His church. In *The Essential Means of Grace*, Paul Washer considers the three prominent gifts God provided for growth in godliness: the Scriptures, prayer, and participation in the life and ministry of the local church. Our desire for the

extraordinary should never lead us to neglect the ordinary. Rather, let us devote ourselves to these ordinary means of grace in dependence upon the Spirit for an extraordinary conformity and usefulness to Christ. Table of Contents: 1.The Means of Grace 2.The Scriptures 3.Prayer 4.Repentance and Confession 5.The Church 6.In Defense of Simplicity

paul washer workbooks: *The Truth about Man* Paul Washer, 2011-09-07 Through a guided study of God's own words, and under various systematic headings, *The Truth about Man* unfolds the desperate condition of humanity. As the second part in a series of rich, biblical studies, this workbook provides the reader with a no-nonsense Bible study on a fundamental tenant of the Christian gospel the lost condition of man. Like the previous book, *The One True God*, this workbook keeps the student engaged directly with the Bible throughout the entire study. It is intended not just to teach truth, but to lead to an encounter with the living God and a deeper understanding of the magnitude of our salvation by demonstrating man's true need of God's redemption. In this study students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book includes very little of such material and instead focuses on digesting the Scriptures directly. Learning in this way, the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. The study of doctrine is both an intellectual and devotional discipline. Therefore students are encouraged throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material and requires we give searching thought to God's assertions about man. *The Truth about Man* is especially suited for the following contexts: (1) doctrinal training for new and old converts, (2) college and adult group Bible studies, (3) private study, (4) Christian or home school curriculum, (5) Sunday school material, (6) an aid to parents in teaching the Word of God to their family.

paul washer workbooks: *Narrow Gate, Narrow Way* Paul Washer, 2018-06-15 Talk is cheap, and so is a profession of faith apart from repentance. But we live in a day when people put more stock in a once-said prayer than a life reflective of a renewed heart. Taking Matthew 7:13-27 as his text, Paul Washer reminds us of Jesus's insistence that His way is narrow, and that its travelers will bear good fruit and rest on the solid foundation of God's Word. Neglecting these warnings from Christ have left many on the broad road to destruction. Don't think you are heading to heaven if you are not following the way of the Master. Table of Contents: Author's Prayer Matthew 7:13-27 1. Test Yourself 2. Go Through the Narrow Gate 3. Walk in the Narrow Way 4. You Will Know Them by Their Fruit 5. Fruitless Professions of Faith 6. Does Jesus Know You? 7. Two Kinds of People 8. Real Holiness 9. What Is Your Response? A Closing Prayer

paul washer workbooks: *Gospel Assurance and Warnings* Paul Washer, 2014-03-01 Paul Washer ministered as a missionary in Peru for ten years, during which time he founded the HeartCry Missionary Society to support Peruvian church planters. Paul now serves as one of the laborers with the HeartCry Missionary Society (www.heartcrymissionary.com). He and his wife, Charo, have three children: Ian, Evan, and Rowan.

paul washer workbooks: *Studying the Holy Scriptures* Paul Washer, 2021-02-26 The Scriptures are the greatest treasure that a person can possess. They are the only source of inspired, inerrant, and infallible revelation regarding God, His will, and His works--especially His work of redemption through Jesus Christ. The Christian cannot hold too high a view of the Bible or exalt it beyond what it deserves. For these reasons and many others, the Christian should consider the study of the Scriptures to be his or her primary and lifelong task. In this workbook, the fifth of his Biblical Foundations for the Christian Faith series, Paul Washer helps the student use the Scriptures to learn more about the Scriptures and discover why and how the Bible should be studied and obeyed. This workbook can be used as a 7-week study for individuals, families, Sunday school classes, small groups, and churches.

paul washer workbooks: *The Gospel Call and True Conversion* Paul Washer, 2013-06-21 The apostle Paul gave the gospel the first place in his preaching, endeavored with all his might to

proclaim it clearly, and even went so far as to pronounce a curse upon all those who would pervert its truth. Yet how sad it is that many, even among those considering themselves evangelicals, have reduced the gospel message to a few trite statements to be repeated, and view conversion as a mere human decision. In *The Gospel Call and True Conversion*, Paul Washer challenges such easy believism as he examines the real meaning of things like faith, repentance, and receiving Christ. He also deals extensively with the effects of saving grace that God promises in the new covenant; namely, the creation of new hearts and new people. Table of Contents: PART ONE: The Gospel Call 1. A Call to Repentance 2. A Call to Faith 3. Believe and Confess 4. Receiving Christ 5. Christ at Heart's Door PART TWO: New Hearts and the Nature of True Conversion 6. The Great Motive and End of Salvation 7. The Author of Salvation 8. Separation and Cleansing 9. A New Heart 10. The Effectual Spirit PART THREE: New People and the Nature of True Conversion 11. The Glory of the New Covenant 12. The Making of New People 13. The Christian's Sure Knowledge of God 14. The Heart and Way of God's People 15. The Everlasting Covenant 16. God's Goodness to His People Series Descriptions Although the *Recovering the Gospel* Series does not represent an entirely systematic presentation of the gospel, it does address most of the essential elements, especially those that are most neglected in contemporary Christianity. It is the hope of the author that these words might be a guide to help you rediscover the gospel in all its beauty, scandal, and saving power. It is his prayer that such a rediscovery might transform your life, strengthen your proclamation, and bring the greatest glory to God.

paul washer workbooks: The One True God Paul Washer, 2011-10-21 The One True God is a unique kind of workbook, intending not just to teach truth but to lead to an encounter with the living God. Beneath that goal the book aims to ground believers in orthodox Christian theology and the actual contents of the Bible. Students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book does not include such material and instead focuses on digesting the Scriptures directly. Through God's own words and under various systematic headings the book unfolds the nature of God. In this way the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. It is the author's conviction that the study of doctrine is both an intellectual and devotional discipline. Therefore students are guided throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material, and demands we give searching thought to how we will live before such a God. This workbook is especially suited for the following contexts: (1) doctrinal training for new converts; (2) college or adult Bible studies; (3) private study; (4) Christian or home school curriculum; (5) Sunday school material; (6) an aid to parents in teaching the Word of God to their children.

paul washer workbooks: The Gospel's Power and Message Paul Washer, 2012 One of the greatest crimes of this generation of Christians is our neglect of the gospel, and it is from this neglect that all our other maladies spring forth. Absent from too many pulpits are the essential themes that make up the very core of the gospel—the justice of God, the radical depravity of man, and the blood atonement. In *The Gospel's Power and Message*, Paul Washer addresses these essential elements of Christ's good news and provides a guide to help us rediscover the gospel in all its beauty, scandal, and saving power. May such a rediscovery transform your life, strengthen your proclamation, and bring the greatest glory to God. Book jacket.

The gospel of Jesus Christ - the good news that He has made a way for the salvation of sinners - is of utmost importance for the believer. paul washer workbooks: *Ten Indictments against the Modern Church* Paul Washer, 2018-08-15 The modern church is in need of revival. But as author Paul Washer contends, "We cannot simply do what is right in our own eyes and then expect the Holy Spirit to come down and bless our labors." Truth be told, the devil has little need to oppose the church's prayer for revival unless God's people are seeking to live lives and order congregations according to God's Word. This book examines ten areas where churches have neglected clear biblical direction and need to prayerfully seek reformation. Contents: 1. A Denial of the Sufficiency of Scripture 2. An Ignorance of God 3. A Failure to Address Man's Malady 4. An Ignorance of the Gospel of Jesus Christ 5. An Unbiblical Gospel Invitation 6. An Ignorance Regarding the Nature of the Church 7. A Lack of Compassionate Church Discipline 8. A Silence on Separation 9. A Replacement of the Scriptures Regarding the Family 10. Pastors Malnourished in the Word of God

paul washer workbooks: *Understanding the Discipline of Fasting [ESV Edition]* Paul Washer, 2021-04-19 NOTE: This is the ESV Edition. The original version of the book (the NASB 1995 version) is also still available. The oft-forgotten discipline of fasting is a devotion of great usefulness that unfortunately has had a severe lack of information written about it and has garnered an abundance of misunderstandings and misinformation regarding it. In *Understanding the Discipline of Fasting*, the fourth of his Biblical Foundations for the Christian Faith series, Paul Washer repeatedly points the student to the Scriptures to expose these erroneous ideas and to help the people of God understand the proper place of fasting in the Christian life.
