bible study workbooks for married couples: Cherish Bible Study Guide Gary Thomas, 2017-01-10 Millions of married couples have pledged to love and to cherish, until death do us part. Most of us understand and get the love part... but what does it mean to cherish your spouse? Why do we say it once at the wedding and then rarely ever mention it again? In this six-session video Bible study (DVD/digital video sold separately), bestselling author Gary Thomas draws on personal stories and teachings from the Bible to show how cherishing can have a powerful effect on marriage. Learning to truly cherish each other turns marriage from an obligation into a delight. It lifts marriage above a commitment to a precious priority. Cherish is the melody that makes a marriage sing. If you find yourself going through the motions in your marriage, Thomas will walk you and your spouse through real ways to reverse the pattern: Erase contempt and honor your spouse Stop comparing and focus on the unique traits in your spouse Let go of hurts and forgive your spouse Go beyond serving and showcase your spouse Don't stop trying. The more you cherish your spouse, the more you will cherish your spouse. Many couples survive by gritting their teeth and holding on. Or they find themselves just going through the motions in their relationship. But cherishing your spouse can reverse this pattern. Cherishing can breathe light, hope, and new life into a marriage--even one marred by neglect and disrespect. The Cherish Study Guide includes video discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: To Love and to Cherish Your Honor Taking Your Marriage to the Next Level Cherishing Your Unique Spouse This Is How Your Spouse Stumbles Keep on Cherishing Designed for use with Cherish Video Study (sold separately).

It combines humor with serious Bible study and discussion questions. Designed for married couples, this devotional is based on a collection of humorous conversations between a husband and wife in their golden years after more than three decades of marriage. As we grow old, our memories fade, our hair falls out, and we get more quirks that oftentimes irritate our spouse. The author has found humor in this process of growing old together, and he shares some of that humor with his readers. The content for each devotional is a comical conversation (Laugh Together) with a related Bible passage, a devotional (Read Together), some serious discussion questions to work through (Discuss Together), a longer Bible passage for further study (Study Together), and an invitation to pray together as a couple (Pray Together). The comical conversations are designed to make you laugh, because the author believes what the Bible says: A joyful heart is good medicine. The unique combination of a comic and a Christian devotional makes this book both humorous and serious. This devotional book is ideal for couples who have been married for a long time because they will be most able to relate to the conversations. However, even newlyweds or single persons should be able to appreciate the humor of growing old together and learn from the devotionals and Bible studies.
