awana workbooks: Sharing My Faith in God and His Promise of a Miracle Before It Happens Kathy Puder, 2024-07-22 Kathy Puder shares some of the incredible ways she has experienced God's presence through events in nature, and in life, in this book. A few times, she has audibly heard God calling out to her to give her guidance, assurance, and direction during some very difficult times. It was during one of those moments that she heard God share His promise of healing her. In this book, she will share a little about that time, and His promise, before the miracle happens. She also reveals encounters a few of her friends have also had, in which they audibly heard a promise from God and the miracles that followed for them, or their loved ones, who God had healed. Throughout this book, the author emphasizes that when we put faith first, it is amazing to see the beauty that He graces us with. When we display our faith for others to see, are sharing God's love with others, and are encouraging others to grow in, or start their walk with God, we will be fulfilling our mission as children of God.
