bible workbooks for beginners: *Mastering the Discipline of Bible Study* Jenai J. Rasmussen Ed.D., 2022-07-22 This work, along with the other volumes in the Foundational Knowledge of the Bible series, can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God's call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God, which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment, be equipped with sound doctrine, and grow together in all things according to Christ's authoritative leadership (Eph. 4:15). By becoming covenant Christians set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth (2 Tim. 2:15). This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions, whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty-bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study: "Why" addresses the importance of knowing God's word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. "How" covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. "What" offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth. To be sure, wisdom is the result of applying biblical knowledge to our lives. By speaking divine truth in love, believers can grow together in Christ as fellow workers who labor in the word of God. There is no greater work in this world than to share this life-saving truth with others. The obligation of receiving divine knowledge requires that it be shared. Truly, giving the hope and joy that is found in Jesus Christ, and the message he brought from the Father, is the greatest privilege of a human life. Amen, and amen.

bible workbooks for beginners: The Holy Spirit: 592 Scriptures Examined Katheryn Maddox Haddad, 2014-08-05 There are numerous books on the Holy Spirit, but they are based on only a few Bible verses. This study was not done to prove the author's or anyone else's pet assessment of the Holy Spirit. The study was made with the desire to forget all pre-conceived notions and opinions, and discover only God's opinion. The Bible has 592 verses on the Holy Spirit and God's Spirit. This is the only book of its kind to cover all verses. All other books take a few ideas about the Holy Spirit and elaborate on them. To make sense out of all 592 verses, they were categorized according to what you see in the table of contents in this book ~ the types of people affected by the Holy Spirit. Within each category, are sub-categories, usually based on how the Holy Spirit connected with each person, and how each person reacted. The same subcategory terms will sometimes appear in each category of the people the Holy Spirit affected. At first those little words may seem to have no special significance. But as you progressed through them, you will see that even little words like "within" and "upon", and "full" sometimes had big significance. All those word studies prepare you for the even more dynamic later chapters in the book. The study is based on the New King James Version of the Bible. Read through these chapters, not to prove what you already believe, but with an open mind and heart that perhaps you don't believe in enough things the Holy Spirit does, or you believe in more things than the scriptures actually teach. Let us be careful that we do not go beyond what is written (I Corinthians 4:6). Now, let us gear up for all things God's Holy Spirit does, and get ready to be amazed.

bible workbooks for beginners: 365 Life-Changing Scriptures Day by Date Katheryn Maddox

Haddad, 2015-08-22 We all want our life to change for the better. These 366 inspirational daily devotionals were written for that purpose. You will notice that the date coincides with the chosen scripture. For example, the scripture for February 7 (2/7) is Proverbs 2:7. The Scripture for February 8 (2/8) is Genesis 2:8. They were written to be a guide for the rest of the day. If you prefer to read them at night, just read the devotional for the next day. These inspirational messages have endured the test of time. They have been sent on a daily basis for some ten years to around 30,000 people worldwide over the internet. While the author plans to continue this practice, some people prefer to have them all together in book format since the internet is not always available or convenient. God bless you and God bless us all on our journey day by date to arrive some day in the future at our Glory Home.
