free addiction recovery workbooks: Break Free from Addiction Esi Zar, Maybe you picked up this book at rock bottom — when everything feels like it's slipping through your fingers. Maybe you're hiding your addiction well, still showing up for work, still smiling for your family, but inside you're unraveling. Or maybe you've tried to quit more times than you can count, only to wake up the next day back in the same cycle, full of regret, shame, and fear that you'll never break free. If that's you — you're not weak. You're not broken. And you're definitely not alone. Addiction is not just about a substance or a behavior. It's about pain. It's about trying to survive something you didn't have the tools to face. It's about needing relief so badly, you reached for whatever could numb it — even if it slowly started destroying your life. You might feel exhausted. Confused. Ashamed. You might wonder if it's even worth trying again. That's exactly why this book exists. This is not just a guide to quitting — it's a path to healing. To understanding what's really been driving your addiction. To rebuilding your life from the inside out. To learning how to live without constantly needing to escape it. Inside these pages, you'll find more than advice — you'll find truth. Compassion. Tools that actually work. And a voice that will never judge you. We'll start by pulling back the curtain on what addiction really is — how it rewires your brain and buries your pain. Then, we'll walk together through every stage of recovery: facing the truth, navigating the emotional crashes, building a support system, understanding trauma, creating daily practices that keep you grounded, and learning to experience real joy again. You'll also learn what to do if you slip. How to rebuild trust. How to turn your story — even the ugliest parts — into a source of strength. You don't need to believe in everything yet. You don't need to know how you're going to do it. You just need to keep reading. This book was written for people like you — people who are ready to live, not just survive. If any part of you is ready for change, turn the page. Your journey begins now.

It has been written, edited, and published entirely by members of Sexual Compulsives Anonymous (SCA). This 3rd edition is an expanded and updated version of SCA's previous recovery book. It includes commentaries on the Twelve Steps and Twelve Traditions as adapted from the original principles of Alcoholics Anonymous, as written by members of SCA. They provide context for working the Twelve Steps and practical wisdom in the observance of the Twelve Traditions. This version also contains new commentaries on *The Characteristics Most of Us Seem to Have in Common*, an early work that SCA members developed in the 1980s. The book begins with a Foreword written by Alexandra Katehakis, Ph.D., who is a Clinical Sexologist and Founder of the Center for Healthy Sex. She is the author of numerous books on sex addiction and intimacy issues. This edition addresses the individual in recovery and then discusses how SCA members recover together in groups and the fellowship at large. There are also chapters on sexual anorexia and pornography, apps, and internet addiction that SCA developed to address the fellowship's changing needs. After extensive revisions, many separately released SCA publications, including *Moving Through Withdrawal*, *Avoiding Common Pitfalls*, *Secret Shame*, etc., have chapters in this edition. Other chapters from the *SCA: A Program of Recovery*, 2nd edition, were revised and updated before inclusion in this edition. These sections address designing a sexual recovery plan, sponsorship, the telephone as a recovery tool, compulsive masturbation, abstinence, and ways to avoid a "slip." The chapters on individual recovery conclude with SCA's version of *The Promises of Alcoholics Anonymous: The Gifts of Recovery*. The group recovery section has updated chapters on starting an SCA meeting, what happens at SCA meetings, and doing service in SCA.
